Ask. Listen. Compare. Act.

Six units, one careful way of thinking. Go and ask a real person a real question, compare what you heard with what you expected, then act on what you found out.

INSIDE THIS BOOK

- Ask, listen, compare, act, in every unit
- A real question for a real person, safely
- One project per unit, marked on the thinking
- Sources and figures logged, not guessed
- A letter that really gets sent in Unit 5
