HOW TO USE THIS BOOK

GUIDE | Page 1 of 1

Coach's Insight

Mr Filipe Baptista

"Year 11 is where skill meets intelligence. Every session is an opportunity to refine your technique, make smarter tactical decisions, lead by example, and perform with confidence, consistency, and purpose."

Performance Tip

Mr Claudio Pardal

"Elite performance is built on preparation, discipline, teamwork, and resilience. Whether you're competing in handball, cross country, futsal, or American football, commit fully to every lesson, embrace feedback, and aim to improve every time you train."

Year 11 • 2026–2027 • Student Book

Teachers

Mr Filipe Baptista • Mr Claudio Pardal

Welcome to PrimeBooks Gym Year 11

PrimeBooks Gym Year 11 has been carefully designed to prepare students for higher-level physical performance through progressively challenging practical activities, tactical learning, fitness development, leadership opportunities, and performance analysis.

Throughout this course, you will strengthen your sporting ability while developing the confidence, resilience, and decision-making skills required both on and off the field.

During this academic year you will study:

- **Term 1:** Handball & Cross Country
- **Term 2:** Futsal & American Football

Each unit begins with the rules, equipment, safety procedures, and core techniques before progressing towards advanced tactical concepts, competitive situations, performance evaluation, and practical assessment.

How to Study Each Unit

① Understand the Foundations

Read the introduction to learn the history, rules, equipment, playing area, safety expectations, and learning objectives before beginning practical activities.

② Master the Techniques

Study each movement carefully, observe demonstrations, and practise the coaching points until every technique becomes consistent and controlled.

③ Build Performance

Complete individual, partner, and team-based activities designed to improve technical execution, fitness, tactical awareness, communication, and confidence.

④ Learn from Expert Coaching

Apply your teachers' advice, reflect on feedback, and use coaching guidance to improve decision-making and overall performance.

⑤ Perform Under Pressure

Take part in realistic game situations, tactical challenges, races, competitions, and modified matches that develop confidence and competitive awareness.

⑥ Demonstrate Your Learning

Complete practical assessments that measure technical ability, teamwork, leadership, tactical understanding, communication, fitness, and personal reflection.

Learning Features

Feature	Purpose
 Introduction	Learn the rules, equipment, safety procedures, objectives, and key concepts for each activity.
 Performance Focus	Develop advanced techniques through demonstrations, guided practice, and progressive skill development.
 Coach's Insight	Professional advice from your teachers to enhance technique, tactics, and performance.
 Performance Check	Avoid common errors, improve efficiency, and practise safely.
 Practice Activities	Develop confidence through individual, partner, and team-based drills.
 Performance Challenges	Apply skills in realistic matches, races, tactical scenarios, and competitive situations.
 Assessment	Demonstrate practical performance, tactical understanding, leadership, teamwork, and reflection.

Remember

Excellence in Physical Education is achieved through consistent effort, resilience, discipline, teamwork, leadership, and a commitment to continuous improvement.

Every lesson is an opportunity to become stronger, more skilful, more confident, and better prepared for lifelong participation in sport, physical activity, and healthy living.

INTRODUCTION

INTRODUCTION | Page 1 of 1

Coach's Insight

Mr Claudio Pardal

"Champions are not defined by talent alone—they are defined by their willingness to learn, adapt, support others, and improve every single day. Focus on progress, not perfection, and let every lesson move you one step closer to your potential."

Unit 12 – Handball

PrimeBooks Gym Year 11

Academic Year 2026–2027 • Physical Education • Upper Secondary Course Book

Welcome

Welcome to **PrimeBooks Gym Year 11**.

This Upper Secondary Physical Education course has been designed to develop advanced sporting knowledge, technical excellence, tactical intelligence, leadership, and lifelong healthy habits through engaging practical experiences and competitive activities.

Students will continue to refine their performance while becoming more independent, reflective, and confident participants in physical activity.

Throughout this course you will develop:

- Physical fitness
- Advanced sport-specific techniques
- Tactical awareness
- Communication
- Leadership
- Teamwork
- Decision-making

- Performance analysis
- Self-management
- Confidence and resilience

Aligned with the **Cambridge Upper Secondary Physical Education philosophy**, this course combines practical performance, tactical understanding, fitness development, leadership, reflection, and healthy living within a structured programme of progressive learning.

Every unit follows a carefully sequenced pathway, beginning with essential knowledge before advancing towards complex techniques, tactical applications, competitive performance, and practical assessment.

Course Aims

By the end of this course, students will be able to:

- ✓ Perform advanced sport-specific techniques with confidence and precision.
 - ✓ Apply tactical strategies effectively in both individual and team sports.
 - ✓ Improve strength, endurance, speed, agility, flexibility, coordination, balance, and power.
 - ✓ Demonstrate leadership, communication, collaboration, and sportsmanship in practical situations.
 - ✓ Analyse performance, reflect on strengths and areas for improvement, and respond positively to feedback.
 - ✓ Demonstrate resilience, responsibility, discipline, and respect throughout all physical activities.
 - ✓ Develop lifelong habits that promote health, wellbeing, and continued participation in physical activity.
-

Course Overview

Term 1

Handball & Cross Country

Students develop advanced passing, dribbling, shooting, defensive systems, tactical movement, communication, teamwork, endurance, pacing strategies, efficient running mechanics, cardiovascular fitness, race management, and performance analysis through handball and cross-country running.

Term 2

Futsal & American Football

Students refine advanced ball control, passing combinations, attacking and defensive systems, goalkeeping, tactical awareness, offensive and defensive play design, agility, coordination, communication, teamwork, strategic decision-making, and competitive performance through futsal and non-contact American football.

Cambridge Learner Attributes

Throughout this course, students are encouraged to become:

Confident

Apply advanced techniques with accuracy while performing confidently in challenging practical situations.

Responsible

Demonstrate integrity, respect, leadership, and accountability towards teammates, opponents, officials, teachers, facilities, and equipment.

Reflective

Evaluate your performance honestly, embrace constructive feedback, and continuously refine your skills and decision-making.

Innovative

Think creatively, adapt tactics, solve movement challenges, and respond effectively to changing sporting situations.

Engaged

Participate enthusiastically, communicate positively, lead by example, and contribute fully to every lesson and team activity.

Learning Journey

Every unit follows the same pathway:

Introduction

Learn the rules, equipment, safety procedures, and learning objectives.

Skill Development

Master essential and advanced techniques through demonstrations, coaching, and guided practice.

Performance Training

Develop confidence, fitness, tactical awareness, and teamwork through structured practice activities.

Competitive Scenarios

Apply your skills in realistic matches, races, tactical challenges, and performance situations.

Assessment

Demonstrate practical ability, tactical understanding, leadership, communication, teamwork, fitness, and personal reflection.

Our Goal

"Physical Education is a journey of continuous growth. Through commitment, discipline, teamwork, resilience, leadership, and a desire to improve, every student can achieve excellence, build lasting confidence, and develop a lifelong appreciation for sport, fitness, and healthy living."

Assessment Policy

ASSESSMENT POLICY PRIMEBOOKS YEAR 7 • PHYSICAL EDUCATION

CAMBRIDGE
Lower Secondary

HOW STUDENTS ARE ASSESSED

Assessment in Physical Education provides students with opportunities to demonstrate their practical skills, physical fitness, understanding of game strategies, and personal development throughout the academic year.

Students are assessed using a combination of practical performance, physical fitness testing, and written knowledge, ensuring that every learner has the opportunity to demonstrate achievement across different aspects of Physical Education.

The assessment programme aligns with the aims of the Cambridge Lower Secondary Physical Education Curriculum, promoting skill development, teamwork, responsibility, reflection, and lifelong participation in physical activity.

ASSESSMENT OVERVIEW

ASSESSMENT TYPE	DESCRIPTION	WHEN ASSESSED
Collective Sports Assessment	Practical assessment of students' ability to apply technical skills, tactical understanding, teamwork, communication, and fair play during team sports.	End of each half-term or full term
Physical Fitness Assessment	Measurement of students' physical fitness through standardised fitness tests.	Throughout the academic year
Written Knowledge Assessment	Assessment of students' understanding of rules, techniques, tactics, safety, and terminology when practical assessment cannot be completed.	When required

COLLECTIVE SPORTS ASSESSMENT

At the end of each half-term or full term, students will complete a practical performance assessment in the team sport studied during that period (e.g. Futsal, Basketball or Volleyball).

Students will be assessed on their ability to:

- ✓ Demonstrate correct technical skills.
- ✓ Apply tactical understanding during game situations.
- ✓ Make appropriate decisions under pressure.
- ✓ Communicate effectively with teammates.
- ✓ Show teamwork, cooperation, and leadership.
- ✓ Respect the rules, officials, teammates, and opponents.
- ✓ Demonstrate fair play and positive sporting behaviour.

★ Assessment is based on performance during authentic game situations rather than isolated drills, encouraging students to apply their learning in realistic sporting environments.

PHYSICAL FITNESS ASSESSMENT

Students will also complete a series of physical fitness assessments designed to monitor their overall physical development.

The fitness assessment programme includes:

FITNESS TEST	COMPONENT ASSESSED
Push-Up Test	Upper body muscular strength and endurance
Sit-Up Test	Core muscular strength and endurance
Beep Test (20 m Shuttle Run)	Cardiovascular endurance and aerobic fitness

★ These assessments provide measurable evidence of each student's physical fitness and contribute towards their overall Physical Education achievement. Students are encouraged to improve their personal performance throughout the year rather than simply comparing themselves with others.

ATTENDANCE AND ALTERNATIVE ASSESSMENT

Regular attendance and active participation are essential components of Physical Education.

Students who miss a significant number of practical lessons may not have sufficient evidence for practical assessment.

In these circumstances, students will complete a written assessment based on the sports studied during the relevant term.

The written assessment may include:

- Rules and regulations
- Equipment and playing areas
- Technical skills
- Sports terminology
- Tactical understanding
- Application of strategies in game situations
- Safety procedures

The written assessment will be marked out of 100%, and the result will contribute towards the student's overall achievement where practical evidence is unavailable.

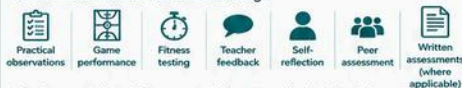

ASSESSMENT CRITERIA

ASSESSMENT AREA	FOCUS
Technical Skills	Accuracy, control, and execution of sport-specific skills
Tactical Understanding	Decision-making, positioning, and application of strategies
Physical Fitness	Strength, endurance, speed, agility, coordination, and flexibility
Teamwork & Communication	Cooperation, leadership, communication, and support for others
Sportsmanship	Respect, fair play, responsibility, and positive behaviour
Knowledge & Understanding	Rules, safety, tactics, and terminology

REPORTING STUDENT ACHIEVEMENT

Student progress is monitored continuously throughout the academic year.

Assessment evidence is collected through:

Teachers use this evidence to provide constructive feedback that supports continuous improvement and encourages every student to achieve their full potential.

ASSESSMENT PHILOSOPHY

At PrimeBooks Physical Education, assessment is designed not only to measure performance, but also to encourage growth, resilience, teamwork, healthy competition, and a lifelong appreciation of physical activity.

Every student is assessed fairly and provided with opportunities to demonstrate both practical ability and theoretical understanding in line with the principles of the Cambridge Lower Secondary curriculum.

Be Active • Be Respectful • Be Responsible • Be Your Best

Active Today, Successful Tomorrow.

How Students Are Assessed

Assessment in **PrimeBooks Year 8 Physical Education** is designed to provide students with opportunities to demonstrate their practical skills, physical fitness, understanding of game strategies, and personal development throughout the academic year.

Students are assessed using a combination of **practical performance**, **physical fitness testing**, and **written knowledge**, ensuring that every learner has the opportunity to demonstrate achievement across different aspects of Physical Education.

The assessment programme aligns with the aims of the **Cambridge Lower Secondary Physical Education Curriculum**, promoting skill development, teamwork, responsibility, reflection, and lifelong participation in physical activity.

Assessment Overview

Assessment Type	Description	When Assessed
Collective Sports Assessment	Practical assessment of students' ability to apply technical skills, tactical understanding, teamwork, communication, and fair play during team sports.	End of each half-term or full term
Physical Fitness Assessment	Measurement of students' physical fitness through standardised fitness tests.	Throughout the academic year
Written Knowledge Assessment	Assessment of students' understanding of rules, techniques, tactics, safety, and terminology when practical assessment cannot be completed.	When required

Collective Sports Assessment

At the end of each half-term or full term, students will complete a **practical performance assessment** in the team sport studied during that period (e.g. Futsal, Basketball or Volleyball).

Students will be assessed on their ability to:

- Demonstrate correct technical skills.
- Apply tactical understanding during game situations.
- Make appropriate decisions under pressure.
- Communicate effectively with teammates.
- Show teamwork, cooperation, and leadership.
- Respect the rules, officials, teammates, and opponents.
- Demonstrate fair play and positive sporting behaviour.

Assessment is based on performance during authentic game situations rather than isolated drills, encouraging students to apply their learning in realistic sporting environments.

Physical Fitness Assessment

Students will also complete a series of physical fitness assessments designed to monitor their overall physical development.

The fitness assessment programme includes:

Fitness Test	Component Assessed
Push-Up Test	Upper body muscular strength and endurance
Sit-Up Test	Core muscular strength and endurance
Beep Test (20 m Shuttle Run)	Cardiovascular endurance and aerobic fitness

These assessments provide measurable evidence of each student's physical fitness and contribute towards their overall Physical Education achievement.

Students are encouraged to improve their personal performance throughout the year rather than simply comparing themselves with others.

Attendance and Alternative Assessment

Regular attendance and active participation are essential components of Physical Education.

Students who miss a significant number of practical lessons may not have sufficient evidence for practical assessment.

In these circumstances, students will complete a **written assessment** based on the sports studied during the relevant term.

The written assessment may include:

- Rules and regulations
- Technical skills
- Tactical understanding
- Safety procedures
- Equipment and playing areas
- Sports terminology
- Application of strategies in game situations

The written assessment will be marked out of **100%**, and the result will contribute towards the student's overall achievement where practical evidence is unavailable.

Assessment Criteria

Students are assessed against the following areas:

Assessment Area	Focus
Technical Skills	Accuracy, control, and execution of sport-specific skills
Tactical Understanding	Decision-making, positioning, and application of strategies
Physical Fitness	Strength, endurance, speed, agility, coordination, and flexibility
Teamwork & Communication	Cooperation, leadership, communication, and support for others
Sportsmanship	Respect, fair play, responsibility, and positive behaviour
Knowledge & Understanding	Rules, safety, tactics, and terminology

Reporting Student Achievement

Student progress is monitored continuously throughout the academic year.

Assessment evidence is collected through:

- Practical observations
- Game performance
- Fitness testing
- Teacher feedback
- Self-reflection
- Written assessments (where applicable)

Teachers use this evidence to provide constructive feedback that supports continuous improvement and encourages every student to achieve their full potential.

Assessment Philosophy

At PrimeBooks Physical Education, assessment is designed not only to measure performance, but also to encourage growth, resilience, teamwork, healthy competition, and a lifelong appreciation of physical activity. Every student is assessed fairly and provided with opportunities to demonstrate both practical ability and theoretical understanding in line with the principles of the Cambridge Lower Secondary curriculum.

UNIT 12

HANDBALL

In This Unit You Will

Learning Objectives for Unit 12

By the end of this unit, you will be able to:

- ✓ Understand the history, development, rules, and core principles of handball.
 - ✓ Identify the court layout, player positions, equipment, goal area, and official regulations.
 - ✓ Perform advanced handball techniques including passing, catching, dribbling, shooting, defending, and attacking.
 - ✓ Apply offensive and defensive tactical systems during match play.
 - ✓ Demonstrate communication, teamwork, leadership, decision-making, and fair play.
 - ✓ Participate confidently and safely in modified and competitive handball matches.
 - ✓ Evaluate your own performance and identify strategies for continuous improvement.
-

Main Idea

Handball is a dynamic, fast-paced team sport that demands speed, precision, coordination, tactical awareness, and excellent teamwork. Players must make rapid decisions while moving continuously, creating attacking opportunities and defending effectively within a constantly changing game environment.

Throughout this unit, you will progressively develop advanced technical skills through structured drills, tactical activities, conditioned games, and competitive match play while improving physical fitness, communication, confidence, leadership, and resilience.

What You Will Achieve by the End of This Unit

Understand the Game

- Explain the history and development of handball.
 - Identify court markings, equipment, player positions, and substitutions.
 - Demonstrate an understanding of official rules, safety, and fair play.
-

Develop Technical Skills

- Pass and receive accurately under pressure.
 - Dribble confidently while maintaining control.
 - Perform jump shots and set shots with accuracy.
 - Apply effective attacking movement.
 - Execute defensive marking and blocking techniques.
-

Apply Tactical Knowledge

- Create space through intelligent movement.
 - Support teammates during attacking play.
 - Apply defensive systems and team organisation.
 - Execute fast breaks and coordinated attacks.
 - Make effective decisions during competitive matches.
-

Improve Physical Fitness

Develop:

- Speed

- Agility
 - Coordination
 - Balance
 - Reaction Time
 - Power
 - Muscular Endurance
-

Demonstrate Positive Sporting Values

Learn to:

- Communicate effectively.
 - Respect teammates, opponents, and officials.
 - Show leadership.
 - Demonstrate teamwork and resilience.
 - Reflect critically on personal performance.
-

Unit Topics

Section	Topic
12.1	Introduction / Rules
12.2	Warm-Ups
12.3	Ball Skills
12.4	Shooting
12.5	Defensive Skills
12.6	Game Strategies
12.7	Game Scenarios
12.8	Cool-Down & Reflection
12.9	Collective Assessment

Coach's Insight

Mr Filipe Baptista

"The strongest handball teams communicate constantly, trust one another, and make smart decisions under pressure. Play with confidence, move with purpose, and let teamwork create every opportunity."

PrimeBooks Year 11 • Physical Education • Unit 12 – Handball

UNIT 2

CROSS COUNTRY

In This Unit You Will

Learning Objectives for Unit 2

By the end of this unit, you will be able to:

- ✓ Understand the principles, rules, and benefits of cross-country running.
 - ✓ Identify different terrain types, pacing methods, race preparation, and safety procedures.
 - ✓ Apply efficient running techniques across varied terrain.
 - ✓ Improve endurance using interval, fartlek, tempo, and long-distance training methods.
 - ✓ Apply effective pacing and race strategies during competition.
 - ✓ Demonstrate resilience, determination, self-discipline, and leadership.
 - ✓ Evaluate your own performance and establish goals for continual improvement.
-

Main Idea

Cross-country running is an endurance discipline that develops cardiovascular fitness, mental resilience, tactical awareness, and efficient movement across varied terrain. Success depends upon intelligent pacing, technical running ability, determination, and the ability to adapt to changing race conditions.

Throughout this unit, you will progressively improve endurance, running economy, pacing strategies, cardiovascular fitness, confidence, and resilience through structured training sessions, relay events, time trials, and competitive races.

What You Will Achieve by the End of This Unit

Understand the Activity

- Explain the purpose and development of cross-country running.
 - Understand race regulations and safety procedures.
 - Identify different terrain types and pacing strategies.
-

Develop Technical Skills

- Maintain efficient running posture.
 - Improve stride length and arm action.
 - Adapt technique for uphill and downhill running.
 - Develop efficient breathing and rhythm.
-

Apply Tactical Knowledge

- Pace races effectively.
 - Position yourself strategically.
 - Conserve energy efficiently.
 - Finish races with confidence and determination.
-

Improve Physical Fitness

Develop:

- Cardiovascular Endurance
 - Stamina
 - Speed Endurance
 - Leg Strength
 - Mental Resilience
 - Balance
 - Coordination
-

Demonstrate Positive Sporting Values

Learn to:

- Persevere through challenging conditions.
 - Show determination and resilience.
 - Respect fellow competitors.
 - Demonstrate responsibility and integrity.
 - Reflect positively on performance.
-

UNIT 1

FUTSAL

In This Unit You Will

Learning Objectives for Unit 1

By the end of this unit, you will be able to:

- ✓ Demonstrate an advanced understanding of the rules, tactics, and principles of futsal.
 - ✓ Identify court markings, player roles, formations, substitutions, and competition regulations.
 - ✓ Perform advanced techniques including first touch, dribbling, passing, shooting, goalkeeping, and defensive play.
 - ✓ Apply attacking and defensive tactical systems effectively during competitive match situations.
 - ✓ Demonstrate leadership, communication, teamwork, decision-making, and fair play.
 - ✓ Participate confidently and safely in modified and competitive futsal matches.
 - ✓ Evaluate personal and team performance using reflection and performance analysis.
-

Main Idea

Futsal is a high-intensity indoor invasion game that demands exceptional technical ability, rapid decision-making, creativity, and tactical intelligence. Played on a smaller court with fewer players and a reduced-bounce ball, futsal encourages quick transitions, close ball control, intelligent movement, and continuous teamwork.

Throughout this unit, you will refine advanced technical skills through structured drills, tactical scenarios, conditioned games, and competitive match play while improving agility, coordination, communication, leadership, and overall sporting performance.

What You Will Achieve by the End of This Unit

Understand the Game

- Explain advanced rules and tactical principles of futsal.
 - Identify court markings, player positions, substitutions, and officiating signals.
 - Demonstrate safe participation and respect for fair play.
-

Develop Technical Skills

- Control the ball confidently using different surfaces of the foot.
 - Pass accurately under pressure.
 - Perform effective dribbling and changes of direction.
 - Shoot with accuracy and power.
 - Apply advanced goalkeeping techniques.
-

Apply Tactical Knowledge

- Create attacking space.
 - Apply pressing systems effectively.
 - Support teammates through intelligent movement.
 - Transition rapidly between attack and defence.
 - Make confident tactical decisions during match play.
-

Improve Physical Fitness

Develop:

- Speed

- Agility
 - Coordination
 - Balance
 - Reaction Time
 - Power
 - Cardiovascular Endurance
-

Demonstrate Positive Sporting Values

Learn to:

- Communicate confidently.
 - Respect teammates, opponents, and officials.
 - Demonstrate leadership.
 - Work collaboratively.
 - Reflect on performance and strive for continuous improvement.
-

Unit Topics

1.7	Attacking Strategies
1.8	Defensive Strategies
1.9	Game Scenarios / Match Play
1.10	Cool-Down & Reflection
1.11	Collective Assessment

Coach's Insight

Mr Filipe Baptista

"The best futsal teams move as one. Think ahead, communicate constantly, and let every touch of the ball have a purpose. Intelligent decisions create winning performances."

PrimeBooks Year 11 • Physical Education • Unit 1 – Futsal

UNIT 14

AMERICAN FOOTBALL

In This Unit You Will

Learning Objectives for Unit 14

By the end of this unit, you will be able to:

- ✓ Understand the rules, positions, equipment, and non-contact principles of American football.
 - ✓ Identify field markings, offensive and defensive formations, and scoring systems.
 - ✓ Perform advanced throwing, catching, running, and defensive techniques.
 - ✓ Apply offensive and defensive tactical strategies during game situations.
 - ✓ Demonstrate teamwork, communication, leadership, and effective decision-making.
 - ✓ Participate confidently and safely in modified non-contact American football games.
 - ✓ Evaluate personal and team performance to support continual improvement.
-

Main Idea

American football is a strategic invasion game that combines speed, teamwork, tactical awareness, communication, and decision-making. Success depends on coordinated teamwork, intelligent movement, precise passing, effective defending, and adapting quickly to changing game situations.

Throughout this unit, you will progressively develop technical skills, tactical understanding, physical fitness, and leadership through structured drills, team activities, game scenarios, and competitive play.

What You Will Achieve by the End of This Unit

Understand the Game

- Explain the history and principles of American football.
 - Identify field markings, player positions, equipment, and scoring methods.
 - Understand the rules of non-contact play and safe participation.
-

Develop Technical Skills

- Throw accurately over different distances.
 - Catch passes confidently under pressure.
 - Carry and protect the ball effectively.
 - Perform defensive positioning and interceptions.
-

Apply Tactical Knowledge

- Execute simple offensive plays.
- Apply defensive team strategies.
- Communicate effectively during play.

- Make quick tactical decisions under pressure.
 - Support teammates during attack and defence.
-

Improve Physical Fitness

Develop:

- Speed
 - Agility
 - Power
 - Coordination
 - Balance
 - Reaction Time
 - Muscular Endurance
-

Demonstrate Positive Sporting Values

Learn to:

- Communicate positively.
 - Respect teammates, opponents, and officials.
 - Demonstrate leadership.
 - Show resilience under pressure.
 - Reflect on performance and identify areas for improvement.
-
