PRIME BOOKS

Science

Year 5 · Cambridge Primary · Student Manual

Look closely. Ask how do you know.

Real science for curious minds: fair tests, honest results and a modelled enquiry in every topic, from the hedge bank to the experiment bench.

INSIDE THIS BOOK

- A modelled enquiry in every topic
- Real experiments with honest results
- Over 300 things to do, say and draw
- QR codes that open real science beyond the page
- A word list of every science word you meet
