PRIME BOOKS · STUDENT MANUAL

Year 8 · Lower Secondary
English Support · Ages about 12 to 13

About the Book

Welcome to PrimeBooks Gym Year 8. This Physical Education student manual helps students develop practical skills, fitness, teamwork and confidence while building the English they need in Gym and PE lessons.

Students work through Volleyball, Cross Country, Tennis, Athletics, Rugby and Sports Aerobics. Each unit develops rules, technique, tactics and fair play, with accessible English for instructions, sports vocabulary, safety language and reflection.

Designed for Lower Secondary Year 8 learners in English-medium and international-school settings, this book supports PE teaching and English support / EAL colleagues who want clear language alongside real sport practice.

INSIDE THIS BOOK

- Volleyball · Cross Country · Tennis · Athletics · Rugby · Sports Aerobics
- Skill focus, coach tips, drills and game scenarios
- English support for PE vocabulary and instructions
- Numbered contents and clear page numbers

Editorial Board

The **PrimeBooks Physical Education Series** has been prepared under the direction of the **Pedagogical-Scientific Group of Physical Education**, coordinated by **Filipe Baptista**, **Claudio Pardal**.

The editorial team has worked collaboratively to ensure that every section of this publication reflects the highest standards of academic rigour, pedagogical innovation, and curriculum excellence. Drawing upon contemporary educational research and practical teaching expertise, this series has been developed to inspire excellence in Physical Education and to support the holistic development of every learner.

This publication represents a shared commitment to quality education, professional integrity, and the continuous advancement of teaching and learning within Physical Education.

HOW TO USE THIS BOOK

GUIDE | Page 1 of 1

Coach's Tip

Mr Filipe Baptista

"Every sport in this book teaches a different skill. Focus on learning the correct technique first, communicate with your teammates, and enjoy challenging yourself as you improve throughout the year."

Quick Tip

Mr Claudio Pardal

"Whether you're serving in volleyball, sprinting on the track, striking a tennis ball, or creating space in rugby, success comes from consistent practice, smart decisions, and giving your best effort every lesson."

Year 8 • 2026–2027 • Student Book

Teachers:

Mr Filipe Baptista • Mr Claudio Pardal

Main Idea

Welcome to **PrimeBooks Gym Year 8**.

This book has been designed to develop your knowledge, practical skills, physical fitness, teamwork, leadership, and confidence through a wide variety of individual and team sports.

Throughout the year you will study:

- **Term 1:** Volleyball & Cross Country
- **Term 2:** Tennis & Athletics
- **Term 3:** Rugby & Sports Aerobics

Each unit begins by introducing the rules, equipment, and essential techniques before progressing towards advanced skills, tactics, game situations, and practical assessments.

How to Study Each Unit

① Read the Introduction

Learn the history, rules, equipment, playing area, safety procedures, and learning objectives.

② Learn the Skill

Study each new technique carefully and observe your teacher's demonstrations before practising.

③ Practise the Drills

Complete the individual, partner, and team activities designed to improve technique, fitness, and confidence.

④ Read the Coach's Tips

Use your teachers' advice to improve performance and avoid common mistakes.

⑤ Apply Your Skills

Take part in game situations, tactical challenges, races, and competitions where you can apply what you have learned.

⑥ Complete the Assessment

Demonstrate your practical skills, teamwork, tactical understanding, fitness, and decision-making through individual or group assessments.

Learning Features

Feature	Purpose
 Introduction	Learn the rules, equipment, and objectives of each activity.
 Skill Focus	Develop techniques through demonstrations and guided practice.
 Coach's Tip	Practical advice from your teachers to improve performance.
 Watch Out!	Learn correct technique and avoid common mistakes.
 Practice Activities	Improve skills through drills, teamwork, and repetition.
 Game Scenarios	Apply skills in realistic games, races, or match situations.
 Assessment	Demonstrate your progress and practical understanding.

Remember

Success in Physical Education comes from **consistent practice, teamwork, discipline, resilience, and a positive attitude**. Every lesson is an opportunity to become stronger, more confident, and more skilful while enjoying an active lifestyle.

INTRODUCTION

INTRODUCTION | Page 1 of 1

Coach's Tip

Mr Claudio Pardal

"Great athletes never stop learning. Every practice, match, race, and performance is a chance to improve your technique, support your teammates, and build confidence."

Unit 5 – Volleyball

PrimeBooks Gym Year 8

Academic Year 2026–2027 • Physical Education • Lower Secondary Course Book

Welcome

Welcome to **PrimeBooks Gym Year 8**.

This course has been carefully designed to help students develop the knowledge, skills, confidence, and positive attitudes needed to enjoy lifelong participation in physical activity.

Through a broad range of sports and fitness activities, students will improve their:

- Physical fitness
- Sport-specific techniques
- Tactical understanding
- Communication
- Leadership
- Teamwork
- Decision-making
- Self-confidence

Following the **Cambridge Lower Secondary Physical Education Curriculum**, this book provides a balanced programme that combines practical performance, tactical awareness, personal reflection, and healthy living.

Each unit introduces a new activity through progressive learning, beginning with the basic rules and techniques before moving towards advanced skills, tactical play, competition, and assessment.

Course Aims

By the end of this course, students will be able to:

- ✓ Develop advanced sport-specific techniques.
 - ✓ Improve strength, endurance, flexibility, speed, agility, balance, coordination, and power.
 - ✓ Apply tactics and strategies in both individual and team activities.
 - ✓ Communicate effectively and work cooperatively with others.
 - ✓ Demonstrate discipline, respect, leadership, and fair play.
 - ✓ Reflect on personal performance and identify ways to improve.
 - ✓ Build healthy habits that encourage lifelong participation in physical activity.
-

Course Overview

Term 1

Volleyball & Cross Country

Students develop serving, passing, setting, attacking, blocking, defensive systems, teamwork, communication, endurance, pacing strategies, cardiovascular fitness, and efficient running techniques through volleyball and cross-country running.

Term 2

Tennis & Athletics

Students improve racket skills, footwork, serving, groundstrokes, tactical decision-making, sprinting, jumping, throwing events, speed, coordination, power, and overall athletic performance.

Term 3

Rugby & Sports Aerobics

Students develop passing, support play, attacking and defensive strategies, teamwork, agility, rhythm, flexibility, strength, coordination, creative movement, and performance skills through touch rugby and sports aerobics.

Cambridge Learner Attributes

Throughout this course, students are encouraged to become:

Confident

Develop confidence by learning new techniques and applying them in practical situations.

Responsible

Respect teammates, opponents, teachers, equipment, and the rules of every activity.

Reflective

Evaluate your performance and use feedback to improve continuously.

Innovative

Think creatively to solve movement challenges and develop effective tactics.

Engaged

Participate actively, communicate positively, and contribute to every lesson.

Learning Journey

Every unit follows the same pathway:

Introduction

Learn the rules, equipment, safety, and objectives.

Skill Development

Master the fundamental techniques through demonstrations and guided practice.

Practice Activities

Develop confidence through individual, partner, and team drills.

Game Scenarios

Apply your skills in realistic matches, races, performances, and tactical challenges.

Assessment

Demonstrate your practical performance, teamwork, tactical understanding, and personal reflection.

Our Goal

"Physical Education is about challenging yourself to improve every day. Through teamwork, perseverance, respect, and commitment, every student can develop the skills and confidence to enjoy sport and physical activity for life."

Assessment Policy

ASSESSMENT POLICY

PRIMEBOOKS YEAR 8 • PHYSICAL EDUCATION

HOW STUDENTS ARE ASSESSED

Assessment in Physical Education provides students with opportunities to demonstrate their practical skills, physical fitness, understanding of game strategies, and personal development throughout the academic year.

Students are assessed using a combination of practical performance, physical fitness testing, and written knowledge, ensuring that every learner has the opportunity to demonstrate achievement across different aspects of Physical Education.

The assessment programme aligns with the aims of the Cambridge Lower Secondary Physical Education Curriculum, promoting skill development, teamwork, responsibility, reflection, and lifelong participation in physical activity.

ASSESSMENT OVERVIEW

ASSESSMENT TYPE	DESCRIPTION	WHEN ASSESSED
Collective Sports Assessment	Practical assessment of students' ability to apply technical skills, tactical understanding, teamwork, communication, and fair play during team sports.	End of each half-term or full term
Physical Fitness Assessment	Measurement of students' physical fitness through standardised fitness tests.	Throughout the academic year
Written Knowledge Assessment	Assessment of students' understanding of rules, techniques, tactics, safety, and terminology when practical assessment cannot be completed.	When required

COLLECTIVE SPORTS ASSESSMENT

At the end of each half-term or full term, students will complete a practical performance assessment in the team sport studied during that period (e.g. Futsal, Basketball or Volleyball).

Students will be assessed on their ability to:

- ✓ Demonstrate correct technical skills.
- ✓ Apply tactical understanding during game situations.
- ✓ Make appropriate decisions under pressure.
- ✓ Communicate effectively with teammates.
- ✓ Show teamwork, cooperation, and leadership.
- ✓ Respect the rules, officials, teammates, and opponents.
- ✓ Demonstrate fair play and positive sporting behaviour.

★ Assessment is based on performance during authentic game situations rather than isolated drills, encouraging students to apply their learning in realistic sporting environments.

PHYSICAL FITNESS ASSESSMENT

Students will also complete a series of physical fitness assessments designed to monitor their overall physical development.

The fitness assessment programme includes:

FITNESS TEST	COMPONENT ASSESSED
Push-Up Test	Upper body muscular strength and endurance
Sit-Up Test	Core muscular strength and endurance
Beep Test (20 m Shuttle Run)	Cardiovascular endurance and aerobic fitness

★ These assessments provide measurable evidence of each student's physical fitness and contribute towards their overall Physical Education achievement. Students are encouraged to improve their personal performance throughout the year rather than simply comparing themselves with others.

ATTENDANCE AND ALTERNATIVE ASSESSMENT

Regular attendance and active participation are essential components of Physical Education. Students who miss a significant number of practical lessons may not have sufficient evidence for practical assessment. In these circumstances, students will complete a written assessment based on the sports studied during the relevant term.

The written assessment may include:

- Rules and regulations
- Equipment and playing areas
- Technical skills
- Sports terminology
- Tactical understanding
- Application of strategies in game situations
- Safety procedures

The written assessment will be marked out of 100%, and the result will contribute towards the student's overall achievement where practical evidence is unavailable.

ASSESSMENT CRITERIA

ASSESSMENT AREA	FOCUS
Technical Skills	Accuracy, control, and execution of sport-specific skills
Tactical Understanding	Decision-making, positioning, and application of strategies
Physical Fitness	Strength, endurance, speed, agility, coordination, and flexibility
Teamwork & Communication	Cooperation, leadership, communication, and support for others
Sportsmanship	Respect, fair play, responsibility, and positive behaviour
Knowledge & Understanding	Rules, safety, tactics, and terminology

REPORTING STUDENT ACHIEVEMENT

Student progress is monitored continuously throughout the academic year. Assessment evidence is collected through:

Observations
 Performance
 Fitness testing
 Teacher feedback
 Self-reflection
 Peer assessment
 Written assessments (where applicable)

Teachers use this evidence to provide constructive feedback that supports continuous improvement and encourages every student to achieve their full potential.

ASSESSMENT PHILOSOPHY

At PrimeBooks Physical Education, assessment is designed not only to measure performance, but also to encourage growth, resilience, teamwork, healthy competition, and a lifelong appreciation of physical activity.

Every student is assessed fairly and provided with opportunities to demonstrate both practical ability and theoretical understanding in line with the principles of the Cambridge Lower Secondary curriculum.

How Students Are Assessed

Assessment in **PrimeBooks Year 7 Physical Education** is designed to provide students with opportunities to demonstrate their practical skills, physical fitness, understanding of game strategies, and personal development throughout the academic year.

Students are assessed using a combination of **practical performance**, **physical fitness testing**, and **written knowledge**, ensuring that every learner has the opportunity to demonstrate achievement across different aspects of Physical Education.

The assessment programme aligns with the aims of the **Cambridge Lower Secondary Physical Education Curriculum**, promoting skill development, teamwork, responsibility, reflection, and lifelong participation in physical activity.

Assessment Overview

Assessment Type	Description	When Assessed
Collective Sports Assessment	Practical assessment of students' ability to apply technical skills, tactical understanding, teamwork, communication, and fair play during team sports.	End of each half-term or full term
Physical Fitness Assessment	Measurement of students' physical fitness through standardised fitness tests.	Throughout the academic year
Written Knowledge Assessment	Assessment of students' understanding of rules, techniques, tactics, safety, and terminology when practical assessment cannot be completed.	When required

Collective Sports Assessment

At the end of each half-term or full term, students will complete a **practical performance assessment** in the team sport studied during that period (e.g. Futsal, Basketball or Volleyball).

Students will be assessed on their ability to:

- Demonstrate correct technical skills.
- Apply tactical understanding during game situations.
- Make appropriate decisions under pressure.
- Communicate effectively with teammates.
- Show teamwork, cooperation, and leadership.
- Respect the rules, officials, teammates, and opponents.
- Demonstrate fair play and positive sporting behaviour.

Assessment is based on performance during authentic game situations rather than isolated drills, encouraging students to apply their learning in realistic sporting environments.

Physical Fitness Assessment

Students will also complete a series of physical fitness assessments designed to monitor their overall physical development.

The fitness assessment programme includes:

Fitness Test	Component Assessed
Push-Up Test	Upper body muscular strength and endurance
Sit-Up Test	Core muscular strength and endurance
Beep Test (20 m Shuttle Run)	Cardiovascular endurance and aerobic fitness

These assessments provide measurable evidence of each student's physical fitness and contribute towards their overall Physical Education achievement.

Students are encouraged to improve their personal performance throughout the year rather than simply comparing themselves with others.

Attendance and Alternative Assessment

Regular attendance and active participation are essential components of Physical Education.

Students who miss a significant number of practical lessons may not have sufficient evidence for practical assessment.

In these circumstances, students will complete a **written assessment** based on the sports studied during the relevant term.

The written assessment may include:

- Rules and regulations
- Technical skills
- Tactical understanding
- Safety procedures
- Equipment and playing areas
- Sports terminology
- Application of strategies in game situations

The written assessment will be marked out of **100%**, and the result will contribute towards the student's overall achievement where practical evidence is unavailable.

Assessment Criteria

Students are assessed against the following areas:

Assessment Area	Focus
Technical Skills	Accuracy, control, and execution of sport-specific skills
Tactical Understanding	Decision-making, positioning, and application of strategies
Physical Fitness	Strength, endurance, speed, agility, coordination, and flexibility
Teamwork & Communication	Cooperation, leadership, communication, and support for others
Sportsmanship	Respect, fair play, responsibility, and positive behaviour
Knowledge & Understanding	Rules, safety, tactics, and terminology

Reporting Student Achievement

Student progress is monitored continuously throughout the academic year.

Assessment evidence is collected through:

- Practical observations
- Game performance
- Fitness testing
- Teacher feedback
- Self-reflection
- Written assessments (where applicable)

Teachers use this evidence to provide constructive feedback that supports continuous improvement and encourages every student to achieve their full potential.

Assessment Philosophy

At PrimeBooks Physical Education, assessment is designed not only to measure performance, but also to encourage growth, resilience, teamwork, healthy competition, and a lifelong appreciation of physical activity. Every student is assessed fairly and provided with opportunities to demonstrate both practical ability and theoretical understanding in line with the principles of the Cambridge Lower Secondary curriculum.

TERM 1

BUILD • LEARN • PERFORM

This term we focus on developing fundamental skills,
building physical fitness, understanding game strategies,
and working together as a team.

VOLLEYBALL

CROSS-
COUNTRY

TENNIS

RUGBY

ATHLETICS

SPORTS
AEROBICS

Be Active • Be Respectful • Be Responsible
Be Your Best

UNIT 5

VOLLEYBALL

UNIT 5

Volleyball

Volleyball is an exciting team sport played by two teams on a court separated by a net. It develops coordination, quick thinking, communication, teamwork and fitness.

LEARNING OBJECTIVES

By the end of this unit, you will be able to:

- understand the rules, court layout and positions
- perform and apply fundamental volleyball skills
- use attacking and defensive strategies in games
- work effectively as part of a team
- take part safely and show respect and fair play

KEY TERMS

serve

pass

set

spike

block

dig

rotation

rally

overhand pass

libero

court

WHAT YOU WILL LEARN

- 5.1 Introduction / Rules
- 5.2 Warm-Ups
- 5.3 Ball Control
- 5.4 Attacking Skills
- 5.5 Defensive Skills
- 5.6 Game Strategies
- 5.7 Game Scenarios
- 5.8 Cool-Down and Reflection
- 5.9 Collective Assessment

KEY FOCUS AREAS

TECHNICAL SKILLS

Develop passing, setting, serving, spiking, blocking and defensive techniques.

TACTICAL AWARENESS

Understand rotations, formations, attacking systems and defensive strategies.

TEAMWORK

Communicate, support teammates and work together to achieve success.

FITNESS

Improve agility, coordination, strength and cardiovascular endurance.

DID YOU KNOW?

Volleyball was created in the United States in 1895 by William G. Morgan. Today it is one of the most popular sports in the world, played by millions of people.

SAFETY FIRST

- Always warm up before activity.
- Wear appropriate footwear and clothing.
- Stay aware of others around you.
- Play fairly and respect the rules.
- Keep hydrated.

In This Unit You Will

Learning Objectives for Unit 5

By the end of this unit, you will be able to:

- ✓ Understand the history, purpose, and rules of volleyball.
 - ✓ Identify the court layout, markings, equipment, player positions, and rotations.
 - ✓ Perform fundamental volleyball skills, including passing, setting, serving, attacking, blocking, and defensive play.
 - ✓ Apply offensive and defensive strategies during game situations.
 - ✓ Demonstrate teamwork, communication, sportsmanship, and respect for others.
 - ✓ Participate safely and confidently in modified and full volleyball matches.
 - ✓ Reflect on your own performance and identify areas for improvement.
-

Main Idea

Volleyball is an exciting team sport that develops communication, coordination, agility, teamwork, and tactical awareness. Players work together to control the ball using a maximum of three touches before returning it over the net. Success in volleyball depends on cooperation, movement, accurate ball control, and effective decision-making.

Throughout this unit, you will progressively develop the fundamental techniques and tactical understanding required to play volleyball successfully. Through skill drills, partner activities, small-sided games, and competitive matches, you will improve your confidence while developing physical fitness, coordination, teamwork, and sportsmanship.

What You Will Achieve by the End of This Unit

By completing this unit successfully, you will be able to:

Understand the Game

- Explain the history and development of volleyball.
 - Identify court markings, equipment, player positions, and rotations.
 - Demonstrate an understanding of the official rules and fair play principles.
-

Develop Technical Skills

- Perform accurate forearm passing (bumping).
 - Execute overhead passing (setting).
 - Serve using underhand and overhand techniques.
 - Attack effectively through spiking and tipping.
 - Block and defend against attacking plays.
-

Apply Tactical Knowledge

- Communicate effectively with teammates.
 - Apply offensive formations and rotations.
 - Organise defensive systems.
 - Make effective decisions during match play.
 - Work confidently as part of a team.
-

Improve Physical Fitness

Throughout this unit you will develop:

- Agility
 - Coordination
 - Speed
 - Balance
 - Power
 - Reaction Time
 - Muscular Endurance
-

Demonstrate Positive Sporting Values

You will learn to:

- Respect teammates, opponents, officials, and equipment.
 - Communicate positively throughout games.
 - Show leadership and responsibility.
 - Demonstrate teamwork and fair play.
 - Reflect on your performance and strive for continuous improvement.
-

Unit Topics

Section	Topic
5.1	Introduction / Rules
5.2	Warm-Ups
5.3	Ball Control
5.4	Attacking Skills
5.5	Defensive Skills
5.6	Game Strategies
5.7	Game Scenarios
5.8	Cool-Down & Reflection
5.9	Collective Assessment

Coach's Tip

Mr Filipe Baptista

"Great volleyball teams succeed through communication, movement, and trust. Focus on controlling every touch, supporting your teammates, and playing every point with confidence and determination."

UNIT 2

CROSS COUNTRY

UNIT 2

Cross Country

Cross-country running is an endurance sport that takes place over natural terrain such as grass, trails, hills and uneven ground. It builds stamina, determination, and mental strength.

LEARNING OBJECTIVES

By the end of this unit, you will be able to:

- understand the purpose, rules and benefits of cross-country running
- identify terrains, pacing strategies and safety procedures
- perform correct running techniques for varied terrain
- develop endurance through structured training activities
- apply race strategies during competitions
- demonstrate resilience, determination and self-discipline
- reflect on your performance and identify areas for improvement

KEY TERMS

pace

endurance

terrain

stride

race

finish

hydration

WHAT YOU WILL LEARN

- 2.1 Introduction / Rules
- 2.2 Warm-Ups
- 2.3 Running Techniques
- 2.4 Endurance Development
- 2.5 Race Strategies
- 2.6 Game Scenarios
- 2.7 Cool-Down & Reflection
- 2.8 Individual Assessment

KEY FOCUS AREAS

TECHNICAL SKILLS

Maintain correct posture, arm drive and stride. Adapt technique for uphill, downhill and uneven terrain.

ENDURANCE DEVELOPMENT

Build stamina and cardiovascular fitness through interval training, fartlek runs and long slow runs.

RACE STRATEGIES

Control your starting pace, position yourself well in the pack and finish strong.

TEAMWORK & SUPPORT

Encourage others, run responsibly and show respect for all participants and the environment.

FITNESS

Improve cardiovascular endurance, speed, strength, coordination and mental resilience.

DID YOU KNOW?

Cross-country has been part of the Olympic Games since 1912. It is one of the best sports for improving overall fitness and building mental toughness.

SAFETY FIRST

- Always warm up properly before running.
- Check the terrain and weather conditions.
- Wear appropriate clothing and running shoes.
- Stay on marked routes and follow teacher instructions.
- Stay hydrated before, during and after activity.
- Look out for others and support your classmates.

In This Unit You Will

Learning Objectives for Unit 2

By the end of this unit, you will be able to:

- ✓ Understand the purpose, rules, and benefits of cross-country running.
- ✓ Identify different terrains, pacing techniques, and safety procedures.

- ✓ Perform correct running techniques for varied terrain.
 - ✓ Develop endurance through structured training activities.
 - ✓ Apply race strategies during competitions.
 - ✓ Demonstrate resilience, determination, and self-discipline.
 - ✓ Reflect on your performance and identify areas for improvement.
-

Main Idea

Cross-country running is an endurance sport that challenges both your physical fitness and mental determination. Unlike track running, cross-country takes place over natural terrain including grass, hills, trails, and uneven surfaces, requiring athletes to adapt their running technique and pacing.

Throughout this unit, you will progressively improve your endurance, running efficiency, pacing strategies, and confidence through interval training, long-distance runs, relay activities, and competitive races.

What You Will Achieve by the End of This Unit

Understand the Activity

- Explain what cross-country running is.
 - Identify safe running practices.
 - Understand race rules and pacing strategies.
-

Develop Technical Skills

- Maintain correct running posture.
 - Improve arm drive and stride efficiency.
 - Adapt technique for uphill and downhill running.
-

Apply Tactical Knowledge

- Pace yourself effectively.
 - Position yourself during races.
 - Finish races strongly.
-

Improve Physical Fitness

Develop:

- Cardiovascular endurance
 - Stamina
 - Leg strength
 - Mental resilience
 - Balance
 - Coordination
-

Demonstrate Positive Sporting Values

- Perseverance
- Self-discipline
- Respect
- Responsibility

- Positive attitude
-

Unit Topics

Section	Topic
2.1	Introduction / Rules

UNIT 8

TENNIS

UNIT 8 Tennis

Tennis is a dynamic racket sport played either individually or in doubles. It develops coordination, speed, accuracy, strategy and mental focus.

LEARNING OBJECTIVES

By the end of this unit, you will be able to:

- understand the rules, scoring system and history of tennis
- identify court markings, equipment and player positions
- perform fundamental tennis strokes with control and accuracy
- apply movement and tactical strategies in games
- demonstrate sportsmanship, respect and safe play
- participate confidently in singles and doubles matches
- reflect on your performance and identify areas for improvement

WHAT YOU WILL LEARN

- 8.1 Introduction / Rules
- 8.2 Warm-Ups
- 8.3 Groundstrokes
- 8.4 Attacking Strokes
- 8.5 Footwork & Positioning
- 8.6 Game Strategies
- 8.7 Game Scenarios
- 8.8 Cool-Down & Reflection
- 8.9 Collective Assessment

KEY FOCUS AREAS

TECHNICAL SKILLS

Develop serving, forehand, backhand, volleying and attacking skills with accuracy and consistency.

MOVEMENT & POSITIONING

Improve footwork, court coverage and positioning to reach the ball early and stay balanced.

TACTICAL AWARENESS

Build points, use effective shot selection and apply singles and doubles strategies.

SPORTSMANSHIP

Show respect, communicate positively and demonstrate fair play at all times.

PHYSICAL FITNESS

Develop speed, agility, coordination, reaction time, balance and muscular endurance.

DID YOU KNOW?

Tennis originated in the late 19th century in England and is now played in over 200 countries. It is one of the few sports that can be enjoyed throughout life.

SAFETY FIRST

- Always warm up before activity.
- Check the court surface and remove obstacles.
- Use rackets and equipment appropriate for your level.
- Stay aware of others around you.
- Play fairly and respect the rules.
- Stay hydrated before, during and after activity.
- Report any hazards or injuries to your teacher.

KEY TERMS

serve
 forehand
 backhand
 volley
 score
 footwork
 court

In This Unit You Will

Learning Objectives for Unit 8

By the end of this unit, you will be able to:

- ✓ Understand the history, rules, and scoring system of tennis.
 - ✓ Identify court markings and player positions.
 - ✓ Perform fundamental strokes including serves, forehands, backhands, volleys, and smashes.
 - ✓ Apply movement patterns and tactical strategies.
 - ✓ Demonstrate sportsmanship and respect.
 - ✓ Participate confidently in singles and doubles matches.
 - ✓ Reflect on your performance.
-

Main Idea

Tennis is a dynamic racket sport that combines speed, precision, coordination, and tactical thinking. Success requires consistent technique, intelligent shot selection, and effective movement around the court.

Throughout this unit, you will develop technical skills through drills, rallies, match play, and tactical activities that improve confidence and decision-making.

What You Will Achieve by the End of This Unit

Understand the Game

- Explain the rules and scoring.
 - Identify court markings.
 - Demonstrate sportsmanship.
-

Develop Technical Skills

- Forehand
 - Backhand
 - Serve

Coach's Tip

Mr Claudio Pardal

"Good tennis players don't simply hit the ball—they think ahead. Move your feet, stay balanced, and prepare early for every shot."

UNIT 7

ATHLETICS

UNIT 7

Athletics

Athletics is one of the oldest and most varied sports, including running, jumping and throwing events. It develops speed, strength, coordination, endurance and determination while encouraging athletes to achieve their personal best.

LEARNING OBJECTIVES

By the end of this unit, you will be able to:

- understand the rules and events in athletics
- perform correct techniques in running, jumping and throwing events
- apply safe practices during training and competition
- improve speed, power, coordination and technique
- demonstrate perseverance, sportsmanship and respect for others
- participate confidently in athletic competitions
- reflect on your performance and identify areas for improvement

- 7.2 Warm-Ups
- 7.3 Running / Sprint
- 7.4 Jump into Sand Box
- 7.5 Jumping Bars
- 7.6 Shot Put
- 7.7 Javelin
- 7.8 Disc Throw
- 7.9 Cool-Down & Reflection
- 7.10 Individual Assessment

KEY FOCUS AREAS

TECHNICAL SKILLS
Develop correct techniques in sprinting, jumping and throwing for better performance and safety.

SAFETY & RULES
Understand event rules, use equipment correctly and follow safe practice during all activities.

COMPETITION STRATEGIES
Use pacing, approach control and technique to achieve your personal best and compete effectively.

TEAMWORK & SPORTSMANSHIP
Encourage others, respect officials and competitors, and demonstrate fair play at all times.

PHYSICAL FITNESS
Improve speed, strength, power, flexibility, coordination and endurance through athletics training.

DID YOU KNOW?

Athletics has been part of the Olympic Games since 1896 in Athens, Greece. Today, millions of athletes take part in competitions around the world each year.

SAFETY FIRST

- Always warm up properly before activity.
- Use equipment safely and correctly.
- Follow teacher instructions at all times.
- Stay in your lane or activity area.
- Keep the area clear of obstacles.
- Wear appropriate clothing and footwear.
- Stay hydrated before, during and after activity.
- Report any injury or hazard immediately.

In This Unit You Will

Learning Objectives for Unit 7

By the end of this unit, you will be able to:

- ✓ Understand the rules and events of athletics.
 - ✓ Perform correct techniques in running, jumping, and throwing events.
 - ✓ Apply safe practices during training.
 - ✓ Improve speed, power, coordination, and technique.
 - ✓ Demonstrate perseverance and sportsmanship.
 - ✓ Participate confidently in athletic competitions.
 - ✓ Reflect on personal performance.
-

Main Idea

Athletics is one of the oldest and most varied sports, combining running, jumping, and throwing events. It develops speed, strength, coordination, endurance, and determination while encouraging athletes to continually improve their personal best performances.

What You Will Achieve by the End of This Unit

Understand Athletics

- Learn event rules.

- Identify equipment.
 - Understand safety.
-

Develop Technical Skills

- Sprint efficiently.
 - Perform jumping techniques.
 - Execute throwing techniques.
-

Apply Tactical Knowledge

- Control pace.
 - Use correct approaches.
 - Improve competition performance.
-

Improve Physical Fitness

Develop:

- Speed
 - Strength
 - Power
 - Flexibility
 - Coordination
 - Balance
-

Demonstrate Positive Sporting Values

- Discipline

- Determination

7.1	Introduction / Rules
7.2	Warm-Ups
7.3	Running / Sprint
7.4	Jump into Sand Box
7.5	Jumping Bars
7.6	Shot Put
7.7	Javelin
7.8	Disc Throw
7.9	Cool-Down & Reflection
7.10	Individual Assessment

Coach's Tip

Mr Filipe Baptista

"In athletics, every centimetre and every second matter. Focus on good technique first, and your speed, distance, and confidence will continue to improve."

TERM 3

BUILD • LEARN • PERFORM

This term we focus on developing fundamental skills,
building physical fitness, understanding game strategies,
and working together as a team.

VOLLEYBALL

CROSS-
COUNTRY

TENNIS

RUGBY

ATHLETICS

AEROBICS

Be Active • Be Respectful • Be Responsible
Be Your Best

UNIT 9

RUGBY

UNIT 9 Rugby

Rugby is a fast, exciting team sport that develops strength, agility, teamwork, communication and tactical awareness. Players work together to advance the ball, create opportunities and defend with determination and respect.

LEARNING OBJECTIVES

By the end of this unit, you will be able to:

- understand the history, rules and basic principles of touch rugby
- identify the field layout, positions and equipment
- perform fundamental skills including passing, catching and evasion
- apply attacking and defensive strategies in game situations
- communicate effectively and work as a team
- demonstrate respect, fair play and leadership
- participate safely in modified and full rugby matches
- reflect on your performance and identify areas for improvement

KEY TERMS

pass

catch

support

WHAT YOU WILL LEARN

- 9.1 Introduction / Rules
- 9.2 Warm-Ups
- 9.3 Ball Handling
- 9.4 Attacking Skills
- 9.5 Defensive Skills
- 9.6 Game Strategies
- 9.7 Game Scenarios
- 9.8 Cool-Down & Reflection
- 9.9 Collective Assessment

KEY FOCUS AREAS

TECHNICAL SKILLS

Develop accurate passing, secure catching, support play, evasion and defensive touch techniques.

TACTICAL AWARENESS

Create overlaps, use space effectively and organise defence to stop the opposition.

GAME STRATEGIES

Make quick decisions, communicate with teammates and apply strategies to attack and defend.

TEAMWORK & SPORTSMANSHIP

Support teammates, respect opponents and officials, and demonstrate fair play at all times.

PHYSICAL FITNESS

Improve agility, speed, strength, endurance and reaction time through dynamic activities.

DID YOU KNOW?

Rugby was developed in England in 1823 when William Webb Ellis picked up the ball during a football match. Today it is played and enjoyed by millions of people around the world.

SAFETY FIRST

- Always warm up properly before activity.
- Listen carefully to your teacher.
- Use equipment safely and correctly.
- Stay aware of others around you.
- Avoid dangerous tackles and rough play.
- Play fairly and respect the rules.
- Wear appropriate clothing and footwear.
- Stay hydrated before, during and after activity.
- Report any injuries or hazards immediately.

In This Unit You Will

Learning Objectives for Unit 9

By the end of this unit, you will be able to:

- ✓ Understand the history and rules of touch rugby.
 - ✓ Perform passing, catching, attacking, and defensive techniques.
 - ✓ Apply tactical strategies during games.
 - ✓ Communicate effectively with teammates.
 - ✓ Demonstrate leadership, teamwork, and respect.
 - ✓ Participate confidently in modified rugby matches.
 - ✓ Reflect on your performance.
-

Main Idea

Touch rugby is a fast, exciting invasion game that develops teamwork, communication, agility, and tactical decision-making. Players learn to create space, support teammates, defend effectively, and make quick decisions while maintaining respect and fair play.

What You Will Achieve by the End of This Unit

Understand the Game

- Learn the rules.
 - Understand field layout.
 - Demonstrate sportsmanship.
-

Develop Technical Skills

- Passing
 - Catching
 - Support play
 - Evasion
 - Defensive touches
-

Apply Tactical Knowledge

- Create overlaps.
 - Organise defence.
 - Communicate effectively.
-

Improve Physical Fitness

Develop:

- Agility
- Speed

- Strength
- Coordination
- Endurance
- Reaction time

Demonstrate Positive Sporting Values

- Leadership
 - Respect
 - Teamwork
 - Communication
 - Responsibility
-

9.8	Cool-Down & Reflection
9.9	Collective Assessment

Coach's Tip

Mr Claudio Pardal

"The strongest rugby teams communicate constantly. Support your teammates, move into space, and always play with respect and determination."

UNIT 6

SPORTS AEROBICS

UNIT 6

Sports Aerobics

Sports aerobics combines fitness, rhythm, strength, flexibility and coordination through energetic movement routines performed individually and in groups.

LEARNING OBJECTIVES

By the end of this unit, you will be able to:

- explain the rules and competition format
- perform fundamental aerobics skills
- demonstrate strength, flexibility and balance
- create and perform routines
- work effectively as part of a team
- participate safely with confidence

KEY TERMS

endurance

WHAT YOU WILL LEARN

- 6.1 Introduction / Rules
- 6.2 Warm-Ups
- 6.3 Basic Skills
- 6.4 Strength Elements
- 6.5 Flexibility
- 6.6 Routine Building
- 6.7 Performance
- 6.8 Cool-Down & Reflection
- 6.9 Assessment

KEY FOCUS AREAS

TECHNIQUE

Develop fundamental aerobic skills with correct alignment, control, rhythm and smooth transitions.

STRENGTH & FLEXIBILITY

Improve muscular strength, core stability and flexibility to enhance performance and prevent injury.

PERFORMANCE

Create and perform routines with confidence, expression and creativity using space, levels and dynamics.

TEAMWORK

Work cooperatively, support others, communicate and synchronize movements in group routines.

DID YOU KNOW?

Sports aerobics combines gymnastics, dance and fitness movements into choreographed routines judged on technique, execution and artistic performance.

SAFETY FIRST

- Warm up thoroughly before activity.
- Maintain correct posture and alignment.
- Use adequate space and keep clear of others.
- Stay hydrated before, during and after activity.
- Support your teammates and encourage positive effort.

In This Unit You Will

Learning Objectives for Unit 6

By the end of this unit, you will be able to:

- ✓ Understand the history and competition format of sports aerobics.
 - ✓ Perform fundamental movement patterns and strength elements.
 - ✓ Improve flexibility, coordination, rhythm, and balance.
 - ✓ Create and perform aerobic routines.
 - ✓ Demonstrate creativity, confidence, and teamwork.
 - ✓ Participate safely during practical activities.
 - ✓ Reflect on your performance.
-

Main Idea

Sports aerobics combines fitness, movement, rhythm, flexibility, strength, and creativity into energetic routines performed individually or in groups. It develops overall physical fitness while encouraging confidence, expression, teamwork, and performance quality.

What You Will Achieve by the End of This Unit

Understand the Activity

- Learn the history.
- Understand competition rules.

- Demonstrate safe practice.
-

Develop Technical Skills

- Basic movement patterns
 - Strength elements
 - Flexibility
 - Balance
 - Synchronisation
-

Apply Performance Skills

- Build routines.
 - Perform confidently.
 - Work in synchronisation.
-

Improve Physical Fitness

Develop:

- Flexibility
 - Strength
 - Balance
 - Coordination
 - Rhythm
 - Muscular endurance
-

Demonstrate Positive Sporting Values

- Creativity
 - Confidence
 - Respect
 - Teamwork
 - Self-expression
-

6.9	Individual Assessment

Coach's Tip

Mr Filipe Baptista

"Every great performance begins with strong fundamentals. Focus on posture, rhythm, control, and confidence, and let your movements tell the story."

PrimeBooks Year 8 • Physical Education • Unit 6 – Sports Aerobics

Year 8 · Lower Secondary English Support · Ages about 12 to 13

About the Book

Welcome to PrimeBooks Gym Year 8. This Physical Education student manual helps students develop practical skills, fitness, teamwork and confidence while building the English they need in Gym and PE lessons.

Across the year students work through Volleyball, Cross Country, Tennis, Athletics, Rugby and Sports Aerobics. Each unit develops rules, technique, tactics and fair play, with accessible English for instructions, sports vocabulary, safety language, and reflection.

Designed for Lower Secondary Year 8 learners in English-medium and international-school settings, this book supports PE teaching and English support / EAL colleagues who want clear language alongside real sport practice.

INSIDE THIS BOOK

- Volleyball · Cross Country · Tennis · Athletics · Rugby · Sports Aerobics
- Skill focus, coach tips, drills and game scenarios
- English support for PE vocabulary and instructions
- Numbered contents and clear page numbers
