PHYSICAL EDUCATION

Year 9 · Student Manual

About the Book

This Physical Education student manual for Year 9 helps students develop practical skills, fitness, teamwork and confidence through sport.

Students work through Volleyball, Cross Country, Badminton, Korfball, American Football and Sports Aerobics. Each unit develops rules, technique, tactics and fair play.

Designed for Year 9 learners in English-medium and international-school settings.

HOW TO USE THIS BOOK

GUIDE | Page 1 of 1

Coach's Tip

Mr Filipe Baptista

"Year 9 is about taking your performance to the next level. Master the fundamentals, think tactically, communicate with your teammates, and challenge yourself to improve every lesson. Consistency and effort always lead to success."

Quick Tip

Mr Claudio Pardal

"Whether you're setting in volleyball, pacing yourself in cross country, smashing in badminton, scoring in korfbal, running routes in American football, or performing an aerobics routine, success comes from discipline, teamwork, smart decisions, and never giving up."

Year 9 • 2026–2027 • Student Book

Teachers:

Mr Filipe Baptista • Mr Claudio Pardal

Main Idea

Welcome to **PrimeBooks Gym Year 9**.

This book has been designed to further develop your knowledge, practical skills, physical fitness, tactical awareness, teamwork, leadership, and confidence through a variety of individual and team sports.

Throughout the year you will study:

- **Term 1:** Volleyball & Cross Country
- **Term 2:** Badminton & Korfbal
- **Term 3:** American Football & Sports Aerobics

Each unit begins by introducing the rules, equipment, and essential techniques before progressing towards advanced skills, tactical understanding, game situations, and practical assessments.

How to Study Each Unit

① Read the Introduction

Learn the history, rules, equipment, playing area, safety procedures, and learning objectives.

② Learn the Skill

Study each new technique carefully, observe your teacher's demonstrations, and understand how the skill is applied in real game situations.

③ Practise the Drills

Complete the individual, partner, and team activities designed to improve technique, fitness, coordination, and confidence.

④ Read the Coach's Tips

Use your teachers' advice to improve performance, develop tactical awareness, and avoid common mistakes.

⑤ Apply Your Skills

Take part in game situations, tactical challenges, races, and performances where you can apply everything you have learned.

⑥ Complete the Assessment

Demonstrate your practical skills, teamwork, tactical understanding, fitness, communication, and decision-making through individual or group assessments.

Learning Features

Feature	Purpose
 Introduction	Learn the rules, equipment, objectives, and safety of each activity.
 Skill Focus	Develop techniques through demonstrations and guided practice.
 Coach's Tip	Practical advice from your teachers to improve performance.
 Watch Out!	Learn correct technique and avoid common mistakes.
 Practice Activities	Improve skills through drills, teamwork, and repetition.
 Game Scenarios	Apply skills in realistic games, races, and match situations.
 Assessment	Demonstrate your progress and practical understanding.

Remember

Success in Physical Education comes from **consistent practice, teamwork, resilience, discipline, tactical thinking, and a positive attitude**. Every lesson is an opportunity to become stronger, more confident, more skilful, and a better teammate while developing healthy habits that last a lifetime.

INTRODUCTION

INTRODUCTION | Page 1 of 1

Coach's Tip

Mr Claudio Pardal

"Champions are not made by talent alone. They improve because they learn from every lesson, support their teammates, embrace challenges, and never stop striving to become better than they were yesterday."

Next Unit

Unit 5 – Volleyball

Welcome

Welcome to **PrimeBooks Gym Year 9**.

This course has been carefully designed to help students develop the advanced knowledge, practical skills, confidence, and positive attitudes needed for lifelong participation in physical activity and sport.

Through a broad range of sports and fitness activities, students will improve their:

- Physical fitness
- Sport-specific techniques
- Tactical understanding
- Communication
- Leadership
- Teamwork
- Decision-making
- Self-confidence

Following the **Cambridge Lower Secondary Physical Education Curriculum**, this book provides a balanced programme that combines practical performance, tactical awareness, personal reflection, healthy lifestyles, and sportsmanship.

Each unit introduces a new activity through progressive learning, beginning with the basic rules and techniques before developing advanced skills, tactical play, competition, and assessment.

Course Aims

By the end of this course, students will be able to:

- ✓ Develop advanced sport-specific techniques.
- ✓ Improve strength, endurance, flexibility, speed, agility, balance, coordination, and power.
- ✓ Apply tactics and strategies effectively in both individual and team sports.
- ✓ Communicate confidently and work cooperatively with others.
- ✓ Demonstrate discipline, respect, leadership, resilience, and fair play.
- ✓ Reflect on personal performance and identify ways to improve.

✓ Build healthy habits that encourage lifelong participation in physical activity.

Course Overview

Term 1

Volleyball & Cross Country

Students develop advanced serving, passing, setting, attacking, blocking, defensive systems, teamwork, communication, endurance, pacing strategies, cardiovascular fitness, efficient running techniques, and race management through volleyball and cross-country running.

Term 2

Badminton & Korfball

Students improve racket control, footwork, attacking and defensive play, tactical shot selection, passing, movement, shooting, teamwork, communication, mixed-team cooperation, spatial awareness, and game strategy through badminton and korfball.

Term 3

American Football & Sports Aerobics

Students develop throwing, catching, running routes, attacking and defensive strategies, teamwork, communication, speed, agility, rhythm, flexibility, strength, coordination, creativity, and performance quality through American football and sports aerobics.

Cambridge Learner Attributes

Throughout this course, students are encouraged to become:

Confident

Develop confidence by learning advanced techniques and applying them successfully in practical situations.

Responsible

Respect teammates, opponents, teachers, equipment, and the rules of every activity.

Reflective

Evaluate your performance and use feedback to improve continuously.

Innovative

Think creatively to solve movement challenges, develop tactics, and adapt to different situations.

Engaged

Participate actively, communicate positively, demonstrate leadership, and contribute to every lesson.

Learning Journey

Every unit follows the same pathway:

Introduction

Learn the rules, equipment, safety, objectives, and key concepts.

Skill Development

Master fundamental and advanced techniques through demonstrations and guided practice.

Practice Activities

Develop confidence through individual, partner, and team drills.

Game Scenarios

Apply your skills in realistic matches, races, tactical challenges, and performances.

Assessment

Demonstrate your practical performance, teamwork, tactical understanding, fitness, communication, and personal reflection.

Our Goal

"Physical Education is about becoming stronger, smarter, and more confident every day. Through commitment, teamwork, resilience, respect, and continuous improvement, every student can develop the skills, knowledge, and attitude needed to enjoy sport, physical activity, and healthy living for life."

Assessment Policy

ASSESSMENT POLICY

PRIMEBOOKS YEAR 9 ♦ PHYSICAL EDUCATION

HOW STUDENTS ARE ASSESSED

Assessment in Physical Education provides students with opportunities to demonstrate their practical skills, physical fitness, understanding of game strategies, and personal development throughout the academic year.

Students are assessed using a combination of practical performance, physical fitness testing, and written knowledge, ensuring that every learner has the opportunity to demonstrate achievement across different aspects of Physical Education.

The assessment programme aligns with the aims of the Cambridge Lower Secondary Physical Education Curriculum, promoting skill development, teamwork, responsibility, reflection, and lifelong participation in physical activity.

ASSESSMENT OVERVIEW

ASSESSMENT TYPE	DESCRIPTION	WHEN ASSESSED
Collective Sports Assessment	Practical assessment of students' ability to apply technical skills, tactical understanding, teamwork, communication, and fair play during team sports.	End of each half-term or full term
Physical Fitness Assessment	Measurement of students' physical fitness through standardised fitness tests.	Throughout the academic year
Written Knowledge Assessment	Assessment of students' understanding of rules, techniques, tactics, safety, and terminology when practical assessment cannot be completed.	When required

COLLECTIVE SPORTS ASSESSMENT

At the end of each half-term or full term, students will complete a practical performance assessment in the team sport studied during that period (e.g. Futsal, Basketball or Volleyball).

Students will be assessed on their ability to:

- ✓ Demonstrate correct technical skills.
- ✓ Apply tactical understanding during game situations.
- ✓ Make appropriate decisions under pressure.
- ✓ Communicate effectively with teammates.
- ✓ Show teamwork, cooperation, and leadership.
- ✓ Respect the rules, officials, teammates, and opponents.
- ✓ Demonstrate fair play and positive sporting behaviour.

Assessment is based on performance during authentic game situations rather than isolated drills, encouraging students to apply their learning in realistic sporting environments.

PHYSICAL FITNESS ASSESSMENT

Students will also complete a series of physical fitness assessments designed to monitor their overall physical development.

The fitness assessment programme includes:

FITNESS TEST	COMPONENT ASSESSED
Push-Up Test	Upper body muscular strength and endurance
Sit-Up Test	Core muscular strength and endurance
Beep Test (20 m Shuttle Run)	Cardiovascular endurance and aerobic fitness

These assessments provide measurable evidence of each student's physical fitness and contribute towards their overall Physical Education achievement. Students are encouraged to improve their personal performance throughout the year rather than simply comparing themselves with others.

ATTENDANCE AND ALTERNATIVE ASSESSMENT

Regular attendance and active participation are essential components of Physical Education.

Students who miss a significant number of practical lessons may not have sufficient evidence for practical assessment.

In these circumstances, students will complete a written assessment based on the sports studied during the relevant term.

The written assessment may include:

- Rules and regulations
- Equipment and playing areas
- Technical skills
- Sports terminology
- Tactical understanding
- Application of strategies in game situations
- Safety procedures

The written assessment will be marked out of 100%, and the result will contribute towards the student's overall achievement where practical evidence is unavailable.

REPORTING STUDENT ACHIEVEMENT

Student progress is monitored continuously throughout the academic year.

Assessment evidence is collected through:

- Practical observations
- Game performance
- Fitness testing
- Teacher feedback
- Self-reflection
- Peer assessment
- Written assessments (where applicable)

Teachers use this evidence to provide constructive feedback that supports continuous improvement and encourages every student to achieve their full potential.

ASSESSMENT CRITERIA

ASSESSMENT AREA	FOCUS
Technical Skills	Accuracy, control, and execution of sport-specific skills
Tactical Understanding	Decision-making, positioning, and application of strategies
Physical Fitness	Strength, endurance, speed, agility, coordination, and flexibility
Teamwork & Communication	Cooperation, leadership, communication, and support for others
Sportsmanship	Respect, fair play, responsibility, and positive behaviour
Knowledge & Understanding	Rules, safety, tactics, and terminology

ASSESSMENT PHILOSOPHY

At PrimeBooks Physical Education, assessment is designed not only to measure performance, but also to encourage growth, resilience, teamwork, healthy competition, and a lifelong appreciation of physical activity.

Every student is assessed fairly and provided with opportunities to demonstrate both practical ability and theoretical understanding in line with the principles of the Cambridge Lower Secondary curriculum.

BE ACTIVE
Stay active,
stay healthy.

BE RESPECTFUL
Treat others how
you want to be
treated.

BE RESPONSIBLE
Make good choices,
every day.

BE YOUR BEST
Believe in yourself
and aim high.

Active Today. Successful Tomorrow.

How Students Are Assessed

Assessment in **PrimeBooks Year 9 Physical Education** is designed to provide students with opportunities to demonstrate their practical skills, physical fitness, understanding of game strategies, and personal development throughout the academic year.

Students are assessed using a combination of **practical performance**, **physical fitness testing**, and **written knowledge**, ensuring that every learner has the opportunity to demonstrate achievement across different aspects of Physical Education.

The assessment programme aligns with the aims of the **Cambridge Lower Secondary Physical Education Curriculum**, promoting skill development, teamwork, responsibility, reflection, and lifelong participation in physical activity.

Assessment Overview

Assessment Type	Description	When Assessed
Collective Sports Assessment	Practical assessment of students' ability to apply technical skills, tactical understanding, teamwork, communication, and fair play during team sports.	End of each half-term or full term
Physical Fitness Assessment	Measurement of students' physical fitness through standardised fitness tests.	Throughout the academic year
Written Knowledge Assessment	Assessment of students' understanding of rules, techniques, tactics, safety, and terminology when practical assessment cannot be completed.	When required

Collective Sports Assessment

At the end of each half-term or full term, students will complete a **practical performance assessment** in the team sport studied during that period (e.g. Futsal, Basketball or Volleyball).

Students will be assessed on their ability to:

- Demonstrate correct technical skills.
- Apply tactical understanding during game situations.
- Make appropriate decisions under pressure.
- Communicate effectively with teammates.
- Show teamwork, cooperation, and leadership.
- Respect the rules, officials, teammates, and opponents.
- Demonstrate fair play and positive sporting behaviour.

Assessment is based on performance during authentic game situations rather than isolated drills, encouraging students to apply their learning in realistic sporting environments.

Physical Fitness Assessment

Students will also complete a series of physical fitness assessments designed to monitor their overall physical development.

The fitness assessment programme includes:

Fitness Test	Component Assessed
Push-Up Test	Upper body muscular strength and endurance
Sit-Up Test	Core muscular strength and endurance
Beep Test (20 m Shuttle Run)	Cardiovascular endurance and aerobic fitness

These assessments provide measurable evidence of each student's physical fitness and contribute towards their overall Physical Education achievement.

Students are encouraged to improve their personal performance throughout the year rather than simply comparing themselves with others.

Attendance and Alternative Assessment

Regular attendance and active participation are essential components of Physical Education.

Students who miss a significant number of practical lessons may not have sufficient evidence for practical assessment.

In these circumstances, students will complete a **written assessment** based on the sports studied during the relevant term.

The written assessment may include:

- Rules and regulations
- Technical skills
- Tactical understanding
- Safety procedures
- Equipment and playing areas
- Sports terminology
- Application of strategies in game situations

The written assessment will be marked out of **100%**, and the result will contribute towards the student's overall achievement where practical evidence is unavailable.

Assessment Criteria

Students are assessed against the following areas:

Assessment Area	Focus
Technical Skills	Accuracy, control, and execution of sport-specific skills
Tactical Understanding	Decision-making, positioning, and application of strategies
Physical Fitness	Strength, endurance, speed, agility, coordination, and flexibility
Teamwork & Communication	Cooperation, leadership, communication, and support for others
Sportsmanship	Respect, fair play, responsibility, and positive behaviour
Knowledge & Understanding	Rules, safety, tactics, and terminology

Reporting Student Achievement

Student progress is monitored continuously throughout the academic year.

Assessment evidence is collected through:

- Practical observations
- Game performance
- Fitness testing
- Teacher feedback
- Self-reflection
- Written assessments (where applicable)

Teachers use this evidence to provide constructive feedback that supports continuous improvement and encourages every student to achieve their full potential.

Assessment Philosophy

At PrimeBooks Physical Education, assessment is designed not only to measure performance, but also to encourage growth, resilience, teamwork, healthy competition, and a lifelong appreciation of physical activity. Every student is assessed fairly and provided with opportunities to demonstrate both practical ability and theoretical understanding in line with the principles of the Cambridge Lower Secondary curriculum.

TERM 1

BUILD • LEARN • PERFORM

This term we focus on developing fundamental skills,
building physical fitness, understanding game strategies,
and working together as a team.

VOLLEYBALL

CROSS
COUNTRY

BADMINTON

KORFBALL

AMERICAN
FOOTBALL

SPORTS
AEROBICS

Be Active • Be Respectful • Be Responsible

UNIT 5

VOLLEYBALL

UNIT 5

Volleyball

Volleyball is an exciting team sport played by two teams on a court separated by a net. It develops coordination, quick thinking, communication, teamwork and fitness.

LEARNING OBJECTIVES

By the end of this unit, you will be able to:

- understand the rules, court layout and positions
- perform and apply fundamental volleyball skills
- use attacking and defensive strategies in games
- work effectively as part of a team
- take part safely and show respect and fair play

KEY TERMS

serve

pass

set

spike

block

dig

rotation

rally

overhand pass

libero

court

WHAT YOU WILL LEARN

- 5.1 Introduction / Rules
- 5.2 Warm-Ups
- 5.3 Ball Control
- 5.4 Attacking Skills
- 5.5 Defensive Skills
- 5.6 Game Strategies
- 5.7 Game Scenarios
- 5.8 Cool-Down and Reflection
- 5.9 Collective Assessment

KEY FOCUS AREAS

TECHNICAL SKILLS

Develop passing, setting, serving, spiking, blocking and defensive techniques.

TACTICAL AWARENESS

Understand rotations, formations, attacking systems and defensive strategies.

TEAMWORK

Communicate, support teammates and work together to achieve success.

FITNESS

Improve agility, coordination, strength and cardiovascular endurance.

DID YOU KNOW?

Volleyball was created in the United States in 1895 by William G. Morgan. Today it is one of the most popular sports in the world, played by millions of people.

SAFETY FIRST

- Always warm up before activity.
- Wear appropriate footwear and clothing.
- Stay aware of others around you.
- Play fairly and respect the rules.
- Keep hydrated.

In This Unit You Will

Learning Objectives for Unit 5

By the end of this unit, you will be able to:

- ✓ Understand the history, purpose, and rules of volleyball.
 - ✓ Identify the court layout, markings, equipment, player positions, and rotations.
 - ✓ Perform fundamental volleyball skills, including passing, setting, serving, attacking, blocking, and defensive play.
 - ✓ Apply offensive and defensive strategies during game situations.
 - ✓ Demonstrate teamwork, communication, sportsmanship, and respect for others.
 - ✓ Participate safely and confidently in modified and full volleyball matches.
 - ✓ Reflect on your own performance and identify areas for improvement.
-

Main Idea

Volleyball is an exciting team sport that develops communication, coordination, agility, teamwork, and tactical awareness. Players work together to control the ball using a maximum of three touches before returning it over the net. Success in volleyball depends on cooperation, movement, accurate ball control, and effective decision-making.

Throughout this unit, you will progressively develop the fundamental techniques and tactical understanding required to play volleyball successfully. Through skill drills, partner activities, small-sided games, and competitive matches, you will improve your confidence while developing physical fitness, coordination, teamwork, and sportsmanship.

What You Will Achieve by the End of This Unit

By completing this unit successfully, you will be able to:

Understand the Game

- Explain the history and development of volleyball.
 - Identify court markings, equipment, player positions, and rotations.
 - Demonstrate an understanding of the official rules and fair play principles.
-

Develop Technical Skills

- Perform accurate forearm passing (bumping).
 - Execute overhead passing (setting).
 - Serve using underhand and overhand techniques.
 - Attack effectively through spiking and tipping.
 - Block and defend against attacking plays.
-

Apply Tactical Knowledge

- Communicate effectively with teammates.
 - Apply offensive formations and rotations.
 - Organise defensive systems.
 - Make effective decisions during match play.
 - Work confidently as part of a team.
-

Improve Physical Fitness

Throughout this unit you will develop:

- Agility
 - Coordination
 - Speed
 - Balance
 - Power
 - Reaction Time
 - Muscular Endurance
-

Demonstrate Positive Sporting Values

You will learn to:

- Respect teammates, opponents, officials, and equipment.
 - Communicate positively throughout games.
 - Show leadership and responsibility.
 - Demonstrate teamwork and fair play.
 - Reflect on your performance and strive for continuous improvement.
-

Unit Topics

Section	Topic
5.1	Introduction / Rules
5.2	Warm-Ups
5.3	Ball Control
5.4	Attacking Skills
5.5	Defensive Skills
5.6	Game Strategies
5.7	Game Scenarios
5.8	Cool-Down & Reflection
5.9	Collective Assessment

Coach's Tip

Mr Filipe Baptista

"Great volleyball teams succeed through communication, movement, and trust. Focus on controlling every touch, supporting your teammates, and playing every point with confidence and determination."

UNIT 2

CROSS COUNTRY

UNIT 2

Cross Country

Cross-country running is an endurance sport that takes place over natural terrain such as grass, trails, hills and uneven ground. It builds stamina, determination, and mental strength.

LEARNING OBJECTIVES

By the end of this unit, you will be able to:

- understand the purpose, rules and benefits of cross-country running
- identify terrains, pacing strategies and safety procedures
- perform correct running techniques for varied terrain
- develop endurance through structured training activities
- apply race strategies during competitions
- demonstrate resilience, determination and self-discipline
- reflect on your performance and identify areas for improvement

KEY TERMS

 pace
  endurance
  terrain
  stride
  race
  finish
  hydration

WHAT YOU WILL LEARN

- Introduction / Rules
- Warm-Ups
- Running Techniques
- Endurance Development
- Race Strategies
- Game Scenarios
- Cool-Down & Reflection
- Individual Assessment

KEY FOCUS AREAS

TECHNICAL SKILLS

Maintain correct posture, arm drive and stride. Adapt technique for uphill, downhill and uneven terrain.

ENDURANCE DEVELOPMENT

Build stamina and cardiovascular fitness through interval training, fartlek runs and long slow runs.

RACE STRATEGIES

Control your starting pace, position yourself well in the pack and finish strong.

TEAMWORK & SUPPORT

Encourage others, run responsibly and show respect for all participants and the environment.

FITNESS

Improve cardiovascular endurance, speed, strength, coordination and mental resilience.

DID YOU KNOW?

Cross-country has been part of the Olympic Games since 1912. It is one of the best sports for improving overall fitness and building mental toughness.

SAFETY FIRST

- Always warm up properly before running.
- Check the terrain and weather conditions.
- Wear appropriate clothing and running shoes.
- Stay on marked routes and follow teacher instructions.
- Stay hydrated before, during and after activity.
- Look out for others and support your classmates.

18

PrimeBooks Year 8 • Physical Education • Unit 2 – Cross Country

© Cambridge University Press 2024

In This Unit You Will

Learning Objectives for Unit 2

By the end of this unit, you will be able to:

- ✓ Understand the purpose, rules, and benefits of cross-country running.
 - ✓ Identify different terrains, pacing techniques, and safety procedures.
 - ✓ Perform correct running techniques for varied terrain.
 - ✓ Develop endurance through structured training activities.
 - ✓ Apply race strategies during competitions.
 - ✓ Demonstrate resilience, determination, and self-discipline.
 - ✓ Reflect on your performance and identify areas for improvement.
-

Main Idea

Cross-country running is an endurance sport that challenges both your physical fitness and mental determination. Unlike track running, cross-country takes place over natural terrain including grass, hills, trails, and uneven surfaces, requiring athletes to adapt their running technique and pacing.

Throughout this unit, you will progressively improve your endurance, running efficiency, pacing strategies, and confidence through interval training, long-distance runs, relay activities, and competitive races.

What You Will Achieve by the End of This Unit

Understand the Activity

- Explain what cross-country running is.
 - Identify safe running practices.
 - Understand race rules and pacing strategies.
-

Develop Technical Skills

- Maintain correct running posture.
 - Improve arm drive and stride efficiency.
 - Adapt technique for uphill and downhill running.
-

Apply Tactical Knowledge

- Pace yourself effectively.
 - Position yourself during races.
 - Finish races strongly.
-

Improve Physical Fitness

Develop:

- Cardiovascular endurance
- Stamina
- Leg strength
- Mental resilience

- Balance
 - Coordination
-

Demonstrate Positive Sporting Values

- Perseverance
 - Self-discipline
 - Respect
 - Responsibility
 - Positive attitude
-

Unit Topics

Section	Topic
2.1	Introduction / Rules
2.2	Warm-Ups
2.3	Running Techniques
2.4	Endurance Development
2.5	Race Strategies
2.6	Game Scenarios
2.7	Cool-Down & Reflection
2.8	Individual Assessment

Coach's Tip

Mr Filipe Baptista

"Cross-country rewards patience and determination. Find a steady rhythm, stay mentally strong on every hill, and remember that consistency always beats starting too fast."

CAMBRIDGE
Lower Secondary

Physical Education
Year 9

TERM 2

BUILD • LEARN • PERFORM

This term we focus on developing technical skills, tactical awareness, fitness, and teamwork through badminton and korfball.

BADMINTON

KORFBALL

Be Active • Be Respectful • Be Responsible
Be Your Best

UNIT 4

BADMINTON

In This Unit You Will

Learning Objectives for Unit 4

By the end of this unit, you will be able to:

- ✓ Understand the rules, court layout, scoring system, and etiquette of badminton.
 - ✓ Demonstrate correct grips, footwork, and movement around the court.
 - ✓ Perform a range of attacking and defensive strokes with control and accuracy.
 - ✓ Apply tactical strategies in singles and doubles matches.
 - ✓ Improve agility, coordination, reaction time, and balance.
 - ✓ Demonstrate teamwork, sportsmanship, resilience, and respect during play.
 - ✓ Reflect on your performance and identify areas for improvement.
-

Main Idea

Badminton is a fast-paced racket sport that combines speed, agility, precision, and tactical thinking. Players must react quickly, move efficiently around the court, and make intelligent decisions to outplay their opponents.

Throughout this unit, you will progressively develop your footwork, racket control, shot selection, movement, and match tactics through structured drills, game situations, and competitive play.

What You Will Achieve by the End of This Unit

Understand the Activity

- Explain the rules and scoring system.
 - Identify court markings and playing positions.
 - Demonstrate safe play and correct sports etiquette.
-

Develop Technical Skills

- Use correct forehand and backhand grips.
 - Improve footwork and court movement.
 - Perform clears, drops, drives, smashes, and net shots.
-

Apply Tactical Knowledge

- Select the appropriate shot.
 - Build attacking and defensive rallies.
 - Apply strategies in singles and doubles matches.
-

Improve Physical Fitness

Develop:

- Agility
- Speed
- Coordination
- Reaction time
- Balance

- Muscular endurance
-

Demonstrate Positive Sporting Values

- Respect
 - Fair Play
 - Determination
 - Self-discipline
 - Teamwork
-

Unit Topics

Section	Topic
4.1	Introduction / Rules
4.2	Warm-Ups
4.3	Grips & Footwork
4.4	Basic Strokes
4.5	Attacking Strokes
4.6	Game Strategies
4.7	Game Scenarios
4.8	Cool-Down & Reflection
4.9	Individual Assessment

Coach's Tip

Mr Filipe Baptista

"The best badminton players don't just hit hard—they move efficiently, stay balanced, and always think one shot ahead. Great footwork creates great opportunities."

UNIT 13

KORFBALL

In This Unit You Will

Learning Objectives for Unit 13

By the end of this unit, you will be able to:

- ✓ Understand the rules, history, and unique mixed-gender nature of korfball.
 - ✓ Demonstrate correct passing, movement, shooting, and rebounding techniques.
 - ✓ Apply attacking and defensive strategies during game situations.
 - ✓ Improve communication, teamwork, spatial awareness, and decision-making.
 - ✓ Develop coordination, agility, endurance, and ball-handling skills.
 - ✓ Demonstrate respect, inclusion, leadership, and fair play.
 - ✓ Reflect on your performance and identify areas for improvement.
-

Main Idea

Korfball is a unique mixed-team invasion game that combines movement, passing, teamwork, and shooting. Success depends on communication, intelligent movement, accurate passing, and effective decision-making rather than individual play.

Throughout this unit, you will progressively improve your technical skills, teamwork, tactical understanding, and confidence through skill practices, game scenarios, and competitive activities.

What You Will Achieve by the End of This Unit

Understand the Activity

- Explain the history and purpose of korfball.
 - Identify the court layout and playing positions.
 - Understand the rules and scoring system.
-

Develop Technical Skills

- Perform accurate chest and overhead passes.
 - Move effectively to create space.
 - Shoot with confidence using different techniques.
 - Improve rebounding and defensive positioning.
-

Apply Tactical Knowledge

- Use attacking rotations.
 - Support teammates through communication.
 - Apply defensive strategies during matches.
-

Improve Physical Fitness

Develop:

- Coordination
- Agility
- Speed
- Endurance

- Balance
- Team communication

Demonstrate Positive Sporting Values

- Inclusion
 - Respect
 - Teamwork
 - Leadership
 - Responsibility
 - Fair Play
-

Unit Topics

Section	Topic
13.1	Introduction / Rules
13.2	Warm-Ups
13.3	Passing & Movement
13.4	Shooting
13.5	Defending & Rebounding
13.6	Team Strategies
13.7	Game Scenarios
13.8	Cool-Down & Reflection
13.9	Collective Assessment

Coach's Tip

Mr Filipe Baptista

"Korfball is built on teamwork. Move without the ball, communicate constantly, and trust your teammates. The strongest teams succeed because every player contributes."

TERM 3

BUILD • LEARN • PERFORM

This term we focus on developing technical skills, tactical awareness, fitness, and teamwork through American Football and Sports Aerobics.

AMERICAN
FOOTBALL

SPORTS
AEROBICS

Be Active • Be Respectful • Be Responsible
Be Your Best

UNIT 14

AMERICAN FOOTBALL

In This Unit You Will

Learning Objectives for Unit 14

By the end of this unit, you will be able to:

- ✓ Understand the purpose, rules, scoring system, and safety principles of American Football.
 - ✓ Identify the playing field, player positions, and basic offensive and defensive strategies.
 - ✓ Demonstrate correct throwing, catching, running, and ball-handling techniques.
 - ✓ Apply simple attacking and defensive tactics during game situations.
 - ✓ Improve speed, agility, coordination, and teamwork.
 - ✓ Demonstrate leadership, communication, respect, and sportsmanship.
 - ✓ Reflect on your performance and identify areas for improvement.
-

Main Idea

American Football is a fast-paced invasion game that combines teamwork, communication, strategy, and athletic ability. Players must work together to move the ball down the field while making quick decisions under pressure.

Throughout this unit, you will progressively improve your passing, catching, running, defensive positioning, and tactical awareness through skill development, small-sided games, and competitive activities using non-contact (touch) football rules.

What You Will Achieve by the End of This Unit

Understand the Activity

- Explain the basic rules and scoring system.
 - Identify field markings and player positions.
 - Understand safe participation and non-contact rules.
-

Develop Technical Skills

- Throw accurately over short and long distances.
 - Catch the ball confidently while moving.
 - Improve running, ball carrying, and route running.
-

Apply Tactical Knowledge

- Create space through attacking movement.
 - Apply simple offensive and defensive strategies.
 - Communicate effectively during team play.
-

Improve Physical Fitness

Develop:

- Speed
- Agility
- Coordination
- Power
- Reaction time
- Cardiovascular endurance

Demonstrate Positive Sporting Values

- Leadership
 - Teamwork
 - Respect
 - Responsibility
 - Determination
-

Unit Topics

Section	Topic
14.1	Introduction / Rules
14.2	Warm-Ups
14.3	Ball Handling
14.4	Attacking Skills
14.5	Defensive Skills
14.6	Game Strategies
14.7	Game Scenarios
14.8	Cool-Down & Reflection
14.9	Collective Assessment

Coach's Tip

Mr Filipe Baptista

"Great teams communicate on every play. Stay aware of your teammates, make smart decisions, and remember that success comes from working together rather than individual effort."

UNIT 6

SPORTS AEROBICS

In This Unit You Will

Learning Objectives for Unit 6

By the end of this unit, you will be able to:

- ✓ Understand the purpose, rules, and benefits of Sports Aerobics.
 - ✓ Perform fundamental aerobic movements with correct posture and technique.
 - ✓ Develop strength, flexibility, balance, coordination, and rhythmic movement.
 - ✓ Create and perform simple aerobic routines with confidence.
 - ✓ Demonstrate creativity, musicality, timing, and teamwork.
 - ✓ Improve overall physical fitness through structured aerobic activities.
 - ✓ Reflect on your performance and identify areas for improvement.
-

Main Idea

Sports Aerobics combines fitness, movement, rhythm, coordination, and creativity into energetic routines performed individually or in groups. It develops physical fitness while encouraging self-expression, confidence, and teamwork.

Throughout this unit, you will progressively improve your movement quality, flexibility, strength, balance, coordination, and performance skills through guided routines, creative activities, and group performances.

What You Will Achieve by the End of This Unit

Understand the Activity

- Explain the purpose and benefits of Sports Aerobics.

6.9	Individual Assessment

Coach's Tip

Mr Filipe Baptista

"Every great performance begins with strong fundamentals. Focus on posture, timing, and precision, then perform with confidence, energy, and a positive attitude."

PHYSICAL EDUCATION

Year 9 · Student Manual

About the Book

This Physical Education student manual for Year 9 helps students develop practical skills, fitness, teamwork and confidence through sport.

Students work through Volleyball, Cross Country, Badminton, Korfbal, American Football and Sports Aerobics. Each unit develops rules, technique, tactics and fair play.

Designed for Year 9 learners in English-medium and international-school settings.
