PRIME BOOKS · STUDENT MANUAL

Physical Education & Gym

Year 10 · English Support
Ages about 14 to 15

About the Book

Welcome to PrimeBooks Gym Year 10. This Physical Education student manual helps students refine performance, fitness, teamwork and confidence while building the English they need in Gym and PE lessons.

Students work through Futsal, Cross Country, Athletics, Aerobics, Korfball and American Football. Each unit develops rules, technique, tactics and fair play, with accessible English for instructions, sports vocabulary, safety language and reflection.

Designed for Year 10 learners in English-medium and international-school settings, this book supports PE teaching and English support / EAL colleagues who want clear language alongside real sport practice.

INSIDE THIS BOOK

- Futsal · Cross Country · Athletics · Aerobics · Korfball · American Football
- Skill focus, coach tips, drills and game scenarios
- English support for PE vocabulary and instructions
- Numbered contents and clear page numbers

HOW TO USE THIS BOOK

GUIDE | Page 1 of 1

Coach's Tip

Mr Filipe Baptista

"Year 10 is about refining performance and thinking like an athlete. Focus on mastering technique, making smart tactical decisions, supporting your teammates, and always striving to improve with every lesson."

Quick Tip

Mr Claudio Pardal

"Whether you're controlling the ball in futsal, pacing yourself in cross country, competing in athletics, performing aerobics, playing korfbal, or executing plays in American football, success comes through preparation, discipline, teamwork, and consistent practice."

Year 10 • 2026–2027 • Student Book

Teachers:

Mr Filipe Baptista • Mr Claudio Pardal

Main Idea

Welcome to **PrimeBooks Gym Year 10**.

This book has been designed to develop your advanced sporting knowledge, practical skills, physical fitness, tactical awareness, leadership, teamwork, and confidence through a variety of individual and team sports.

Throughout the year you will study:

- **Term 1:** Futsal & Cross Country
- **Term 2:** Athletics & Aerobics
- **Term 3:** Korfbal & American Football

Each unit begins by introducing the rules, equipment, safety procedures, and fundamental techniques before progressing towards advanced skills, tactical play, match situations, performance analysis, and practical assessments.

How to Study Each Unit

① Read the Introduction

Learn the history, rules, equipment, playing area, safety procedures, and learning objectives.

② Develop the Skill

Study each technique carefully, observe demonstrations, and understand the key coaching points before practising.

③ Practise the Activities

Complete individual, partner, and team drills that improve technical ability, fitness, decision-making, and confidence.

④ Read the Coach's Tips

Use your teachers' advice to improve performance, correct mistakes, and develop tactical understanding.

⑤ Apply Your Skills

Participate in game situations, competitions, tactical challenges, races, performances, and modified matches that simulate real sporting environments.

⑥ Complete the Assessment

Demonstrate your practical skills, teamwork, tactical understanding, fitness, leadership, communication, and decision-making through individual and group assessments.

Learning Features

Feature	Purpose
 Introduction	Learn the rules, equipment, safety, and objectives of each activity.
 Skill Focus	Develop advanced techniques through demonstrations and guided practice.
 Coach's Tip	Practical advice from your teachers to improve performance.
 Watch Out!	Avoid common mistakes and perform techniques safely.
 Practice Activities	Improve skills through drills, teamwork, repetition, and tactical exercises.
 Game Scenarios	Apply skills in realistic games, races, performances, and competitive situations.
 Assessment	Demonstrate your progress through practical performance and reflection.

Remember

Success in Physical Education comes from consistent practice, resilience, teamwork, discipline, leadership, and a positive attitude. Every lesson is an opportunity to become stronger, more skilful, more confident, and better prepared for lifelong participation in sport and physical activity.

INTRODUCTION

INTRODUCTION | Page 1 of 1

Coach's Tip

Mr Claudio Pardal

"The best athletes are lifelong learners. Every training session, match, race, and performance is an opportunity to improve your technique, make better decisions, support your teammates, and become more confident in your abilities."

Unit 1 – Futsal

PrimeBooks Gym Year 10

Academic Year 2026–2027 • Physical Education • Lower Secondary Course Book

Welcome

Welcome to **PrimeBooks Gym Year 10**.

This course has been carefully designed to help students develop the advanced knowledge, practical skills, confidence, leadership, and healthy habits needed for lifelong participation in sport and physical activity.

Through a broad range of sports and fitness activities, students will improve their:

- Physical fitness
- Sport-specific techniques
- Tactical understanding
- Communication
- Leadership
- Teamwork
- Decision-making
- Self-confidence
- Performance analysis
- Personal responsibility

Following the **Cambridge Lower Secondary Physical Education Curriculum**, this book provides a balanced programme that combines practical performance, tactical awareness, physical fitness, leadership, personal reflection, and healthy living.

Each unit introduces a new activity through progressive learning, beginning with the essential rules and techniques before advancing towards complex skills, tactical play, competition, and practical assessment.

Course Aims

By the end of this course, students will be able to:

- ✓ Demonstrate advanced sport-specific techniques.
- ✓ Improve strength, endurance, flexibility, speed, agility, balance, coordination, and power.

- ✓ Apply tactical strategies effectively in both individual and team sports.
 - ✓ Communicate confidently and work collaboratively with teammates.
 - ✓ Demonstrate leadership, discipline, respect, resilience, and fair play.
 - ✓ Reflect on personal performance and identify areas for continuous improvement.
 - ✓ Develop healthy habits that encourage lifelong participation in physical activity.
-

Course Overview

Term 1

Futsal & Cross Country

Students develop first touch, dribbling, passing, shooting, goalkeeping, attacking and defensive tactics, teamwork, communication, endurance, pacing strategies, efficient running techniques, cardiovascular fitness, and race management through futsal and cross-country running.

Term 2

Athletics & Aerobics

Students improve sprinting, jumping, throwing events, power, coordination, speed, flexibility, strength, rhythm, movement quality, creative routine design, performance skills, and overall athletic development.

Term 3

Korfball & American Football

Students develop passing, movement, shooting, rebounding, attacking and defensive strategies, teamwork, communication, offensive and defensive play design, decision-making, agility, coordination, and tactical awareness through korfball and non-contact American football.

Cambridge Learner Attributes

Throughout this course, students are encouraged to become:

Confident

Develop confidence by mastering advanced techniques and applying them successfully in practical situations.

Responsible

Respect teammates, opponents, officials, teachers, equipment, and the rules of every activity.

Reflective

Evaluate your own performance, accept feedback positively, and use it to improve continuously.

Innovative

Think creatively to solve movement challenges, adapt tactics, and improve sporting performance.

Engaged

Participate actively, communicate positively, demonstrate leadership, and contribute fully in every lesson.

Learning Journey

Every unit follows the same pathway:

Introduction

Learn the rules, equipment, safety procedures, and objectives.

Skill Development

Master the fundamental and advanced techniques through demonstrations and guided practice.

Practice Activities

Develop confidence through individual, partner, and team drills while improving tactical awareness.

Game Scenarios

Apply your skills in realistic matches, races, performances, and competitive challenges.

Assessment

Demonstrate practical performance, teamwork, tactical understanding, leadership, fitness, and personal reflection.

Our Goal

"Physical Education is about continually challenging yourself to improve. Through commitment, teamwork, resilience, leadership, respect, and perseverance, every student can develop the skills, confidence, and lifelong passion needed to enjoy sport, fitness, and healthy living."

Assessment Policy

ASSESSMENT POLICY

PRIMEBOOKS YEAR 10 ♦ PHYSICAL EDUCATION

HOW STUDENTS ARE ASSESSED

Assessment in Physical Education provides students with opportunities to demonstrate their practical skills, physical fitness, understanding of game strategies, and personal development throughout the academic year.

Students are assessed using a combination of practical performance, physical fitness testing, and written knowledge, ensuring that every learner has the opportunity to demonstrate achievement across different aspects of Physical Education.

The assessment programme aligns with the aims of the Cambridge Lower Secondary Physical Education Curriculum, promoting skill development, teamwork, responsibility, reflection, and lifelong participation in physical activity.

COLLECTIVE SPORTS ASSESSMENT

At the end of each half-term or full term, students will complete a practical performance assessment in the team sport studied during that period (e.g. Football, Basketball, Handball or Volleyball).

Students will be assessed on their ability to:

- ✓ Demonstrate correct technical skills.
- ✓ Apply tactical understanding during game situations.
- ✓ Make appropriate decisions under pressure.
- ✓ Communicate effectively with teammates.
- ✓ Show teamwork, cooperation, and leadership.
- ✓ Respect the rules, officials, teammates, and opponents.
- ✓ Demonstrate fair play and positive sporting behaviour.

Assessment is based on performance during authentic game situations rather than isolated drills, encouraging students to apply their learning in realistic sporting environments.

ASSESSMENT OVERVIEW

ASSESSMENT TYPE	DESCRIPTION	WHEN ASSESSED
Collective Sports Assessment	Practical assessment of students' ability to apply technical skills, tactical understanding, teamwork, communication, and fair play during team sports.	End of each half-term or full term
Physical Fitness Assessment	Measurement of students' physical fitness through standardised fitness tests.	Throughout the academic year
Written Knowledge Assessment	Assessment of students' understanding of rules, techniques, tactics, safety, and terminology when practical assessment cannot be completed.	When required

PHYSICAL FITNESS ASSESSMENT

Students will also complete a series of physical fitness assessments designed to monitor their overall physical development.

The fitness assessment programme includes:

FITNESS TEST	COMPONENT ASSESSED
Push-Up Test	Upper body muscular strength and endurance
Sit-Up Test	Core muscular strength and endurance
Beep Test (20 m Shuttle Run)	Cardiovascular endurance and aerobic fitness

These assessments provide measurable evidence of each student's physical fitness and contribute towards their overall Physical Education achievement. Students are encouraged to improve their personal performance throughout the year rather than simply comparing themselves with others.

ATTENDANCE AND ALTERNATIVE ASSESSMENT

Regular attendance and active participation are essential components of Physical Education.

Students who miss a significant number of practical lessons may not have sufficient evidence for practical assessment.

In these circumstances, students will complete a written assessment based on the sports studied during the relevant term.

The written assessment may include:

- Rules and regulations
- Technical skills
- Tactical understanding
- Safety procedures
- Equipment and playing areas
- Sports terminology
- Application of strategies in game situations

The written assessment will be marked out of 100%, and the result will contribute towards the student's overall achievement where practical evidence is unavailable.

REPORTING STUDENT ACHIEVEMENT

Student progress is monitored continuously throughout the academic year.

Assessment evidence is collected through:

- Practical observations
- Game performance
- Fitness testing
- Teacher feedback
- Self-reflection
- Peer assessment
- Written assessments (where applicable)

Teachers use this evidence to provide constructive feedback that supports continuous improvement and encourages every student.

ASSESSMENT CRITERIA

ASSESSMENT AREA	FOCUS
Technical Skills	Accuracy, control, and execution of sport-specific skills
Tactical Understanding	Decision-making, positioning, and application of strategies
Physical Fitness	Strength, endurance, speed, agility, coordination, and flexibility
Teamwork & Communication	Cooperation, leadership, communication, and support for others
Sportsmanship	Respect, fair play, responsibility, and positive behaviour
Knowledge & Understanding	Rules, safety, tactics, and terminology

ASSESSMENT PHILOSOPHY

At PrimeBooks Physical Education, assessment is designed not only to measure performance, but also to encourage growth, resilience, teamwork, healthy competition, and a lifelong appreciation of physical activity.

Every student is assessed fairly and provided with opportunities to demonstrate both practical ability and theoretical understanding in line with the principles of the Cambridge Lower Secondary curriculum.

BE ACTIVE
Stay active

BE RESPECTFUL
Treat others how

BE RESPONSIBLE
Make good choices

BE YOUR BEST
Believe in yourself

Active Today. Successful Tomorrow

How Students Are Assessed

Assessment in **PrimeBooks Year 8 Physical Education** is designed to provide students with opportunities to demonstrate their practical skills, physical fitness, understanding of game strategies, and personal development throughout the academic year.

Students are assessed using a combination of **practical performance**, **physical fitness testing**, and **written knowledge**, ensuring that every learner has the opportunity to demonstrate achievement across different aspects of Physical Education.

The assessment programme aligns with the aims of the **Cambridge Lower Secondary Physical Education Curriculum**, promoting skill development, teamwork, responsibility, reflection, and lifelong participation in physical activity.

Assessment Overview

Assessment Type	Description	When Assessed
Collective Sports Assessment	Practical assessment of students' ability to apply technical skills, tactical understanding, teamwork, communication, and fair play during team sports.	End of each half-term or full term
Physical Fitness Assessment	Measurement of students' physical fitness through standardised fitness tests.	Throughout the academic year
Written Knowledge Assessment	Assessment of students' understanding of rules, techniques, tactics, safety, and terminology when practical assessment cannot be completed.	When required

Collective Sports Assessment

At the end of each half-term or full term, students will complete a **practical performance assessment** in the team sport studied during that period (e.g. Futsal, Basketball or Volleyball).

Students will be assessed on their ability to:

- Demonstrate correct technical skills.
- Apply tactical understanding during game situations.
- Make appropriate decisions under pressure.
- Communicate effectively with teammates.
- Show teamwork, cooperation, and leadership.
- Respect the rules, officials, teammates, and opponents.
- Demonstrate fair play and positive sporting behaviour.

Assessment is based on performance during authentic game situations rather than isolated drills, encouraging students to apply their learning in realistic sporting environments.

Physical Fitness Assessment

Students will also complete a series of physical fitness assessments designed to monitor their overall physical development.

The fitness assessment programme includes:

Fitness Test	Component Assessed
Push-Up Test	Upper body muscular strength and endurance
Sit-Up Test	Core muscular strength and endurance
Beep Test (20 m Shuttle Run)	Cardiovascular endurance and aerobic fitness

These assessments provide measurable evidence of each student's physical fitness and contribute towards their overall Physical Education achievement.

Students are encouraged to improve their personal performance throughout the year rather than simply comparing themselves with others.

Attendance and Alternative Assessment

Regular attendance and active participation are essential components of Physical Education.

Students who miss a significant number of practical lessons may not have sufficient evidence for practical assessment.

In these circumstances, students will complete a **written assessment** based on the sports studied during the relevant term.

The written assessment may include:

- Rules and regulations
- Technical skills
- Tactical understanding
- Safety procedures
- Equipment and playing areas
- Sports terminology
- Application of strategies in game situations

The written assessment will be marked out of **100%**, and the result will contribute towards the student's overall achievement where practical evidence is unavailable.

Assessment Criteria

Students are assessed against the following areas:

Assessment Area	Focus
Technical Skills	Accuracy, control, and execution of sport-specific skills
Tactical Understanding	Decision-making, positioning, and application of strategies
Physical Fitness	Strength, endurance, speed, agility, coordination, and flexibility
Teamwork & Communication	Cooperation, leadership, communication, and support for others
Sportsmanship	Respect, fair play, responsibility, and positive behaviour
Knowledge & Understanding	Rules, safety, tactics, and terminology

Reporting Student Achievement

Student progress is monitored continuously throughout the academic year.

Assessment evidence is collected through:

- Practical observations
- Game performance
- Fitness testing
- Teacher feedback
- Self-reflection
- Written assessments (where applicable)

Teachers use this evidence to provide constructive feedback that supports continuous improvement and encourages every student to achieve their full potential.

Assessment Philosophy

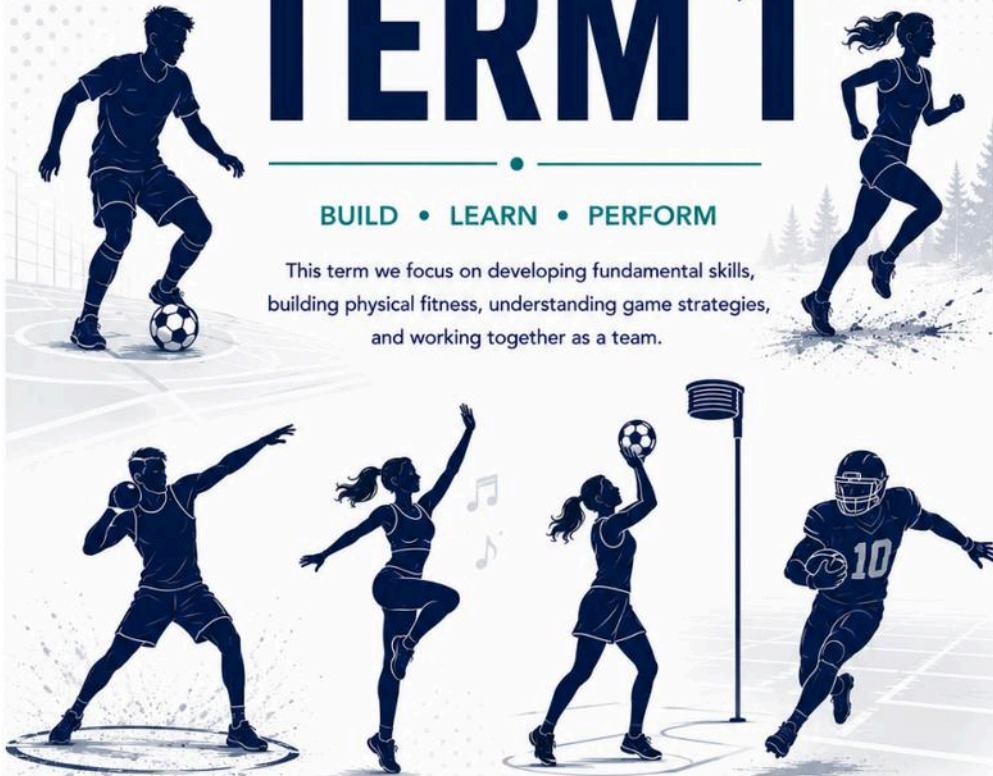

At PrimeBooks Physical Education, assessment is designed not only to measure performance, but also to encourage growth, resilience, teamwork, healthy competition, and a lifelong appreciation of physical activity. Every student is assessed fairly and provided with opportunities to demonstrate both practical ability and theoretical understanding in line with the principles of the Cambridge Lower Secondary curriculum.

TERM 1

BUILD • LEARN • PERFORM

This term we focus on developing fundamental skills,
building physical fitness, understanding game strategies,
and working together as a team.

FUTSAL

CROSS
COUNTRY

ATHLETICS

AEROBICS

KORFBAL

AMERICAN
FOOTBALL

Be Active • Be Respectful • Be Responsible
Be Your Best

UNIT 1

FUTSAL

In This Unit You Will

Learning Objectives for Unit 1

By the end of this unit, you will be able to:

- ✓ Understand the history, development, rules, and unique characteristics of futsal.
 - ✓ Identify the court layout, markings, equipment, player positions, and official regulations.
 - ✓ Perform advanced futsal techniques including first touch, dribbling, passing, shooting, goalkeeping, attacking, and defending.
 - ✓ Apply attacking and defensive tactical systems during match play.
 - ✓ Demonstrate communication, teamwork, leadership, decision-making, and fair play.
 - ✓ Participate confidently and safely in modified and competitive futsal matches.
 - ✓ Evaluate your own performance and identify areas for continuous improvement.
-

Main Idea

Futsal is a fast-paced indoor team sport that develops technical ability, quick decision-making, ball control, agility, teamwork, and tactical awareness. Played on a smaller court with a reduced-bounce ball, futsal places greater emphasis on close control, rapid passing combinations, intelligent movement, and fast transitions between attack and defence.

Throughout this unit, you will progressively develop advanced technical skills through structured drills, tactical exercises, small-sided games, and competitive match play while improving physical fitness, communication, confidence, and leadership.

What You Will Achieve by the End of This Unit

Understand the Game

- Explain the history and development of futsal.
 - Identify court markings, equipment, player positions, and substitutions.
 - Demonstrate an understanding of official rules and fair play.
-

Develop Technical Skills

- Control the ball using different parts of the foot.
 - Pass accurately under pressure.
 - Shoot with power and precision.
 - Perform effective dribbling skills and changes of direction.
 - Apply goalkeeping techniques.
-

Apply Tactical Knowledge

- Create attacking space.
 - Support teammates through movement.
 - Apply defensive pressing systems.
 - Transition quickly between attack and defence.
 - Make effective decisions during match play.
-

Improve Physical Fitness

Develop:

- Agility

- Speed
- Coordination
- Balance
- Reaction Time
- Power
- Cardiovascular Endurance

Demonstrate Positive Sporting Values

Learn to:

- Communicate effectively.
 - Respect teammates, opponents and officials.
 - Show leadership.
 - Demonstrate teamwork and resilience.
 - Reflect on personal performance.
-

Unit Topics

Section	Topic
1.1	Introduction
1.2	Warm-Ups
1.3	Ball Control (First Touch & Dribbling)
1.4	Passing
1.5	Shooting & Finishing
1.6	Goalkeeping
1.7	Attacking Strategies
1.8	Defensive Strategies
1.9	Game Scenarios / Match Play
1.10	Cool-Down & Reflection
1.11	Collective Assessment

 Coach's Tip

Mr Filipe Baptista

"The best futsal players think one pass ahead. Control the ball with confidence, move without the ball, and make quick decisions that help your whole team succeed."

PrimeBooks Year 10 • Physical Education • Unit 1 – Futsal

UNIT 2

CROSS COUNTRY

In This Unit You Will

Learning Objectives for Unit 2

By the end of this unit, you will be able to:

- ✓ Understand the principles, rules, and benefits of cross-country running.
 - ✓ Identify different terrain types, pacing methods, race preparation, and safety procedures.
 - ✓ Apply efficient running techniques across varied terrain.
 - ✓ Improve endurance using structured training methods including interval, fartlek, and long-distance running.
 - ✓ Apply effective pacing and race strategies during competition.
 - ✓ Demonstrate resilience, determination, self-discipline, and leadership.
 - ✓ Reflect on your performance and develop strategies for continual improvement.
-

Main Idea

Cross-country running is an endurance discipline that challenges physical fitness, mental resilience, and tactical decision-making. Athletes must adapt their technique and pacing across changing terrain including hills, grass, trails, and uneven surfaces while maintaining efficient movement and conserving energy.

Throughout this unit, you will progressively develop endurance, running economy, pacing strategies, cardiovascular fitness, and confidence through structured training sessions, relay events, time trials, and competitive races.

What You Will Achieve by the End of This Unit

Understand the Activity

- Explain the purpose and history of cross-country running.
 - Understand race regulations and safety procedures.
 - Identify different terrain types and pacing strategies.
-

Develop Technical Skills

- Maintain correct running posture.
 - Improve stride length and arm drive.
 - Adapt technique for uphill and downhill running.
 - Develop efficient breathing patterns.
-

Apply Tactical Knowledge

- Pace races effectively.
 - Position yourself strategically.
 - Manage energy efficiently.
 - Finish races with confidence.
-

Improve Physical Fitness

Develop:

- Cardiovascular Endurance
- Stamina
- Leg Strength
- Mental Resilience
- Balance

- Coordination
 - Speed Endurance
-

Demonstrate Positive Sporting Values

Learn to:

- Persevere during challenging conditions.
 - Show determination and resilience.
 - Respect fellow competitors.
 - Demonstrate responsibility.
 - Reflect positively on performance.
-

Unit Topics

Section	Topic
2.1	Introduction / Rules
2.2	Warm-Ups
2.3	Running Techniques
2.4	Endurance Development
2.5	Race Strategies
2.6	Game Scenarios
2.7	Cool-Down & Reflection
2.8	Individual Assessment

Coach's Tip

Mr Filipe Baptista

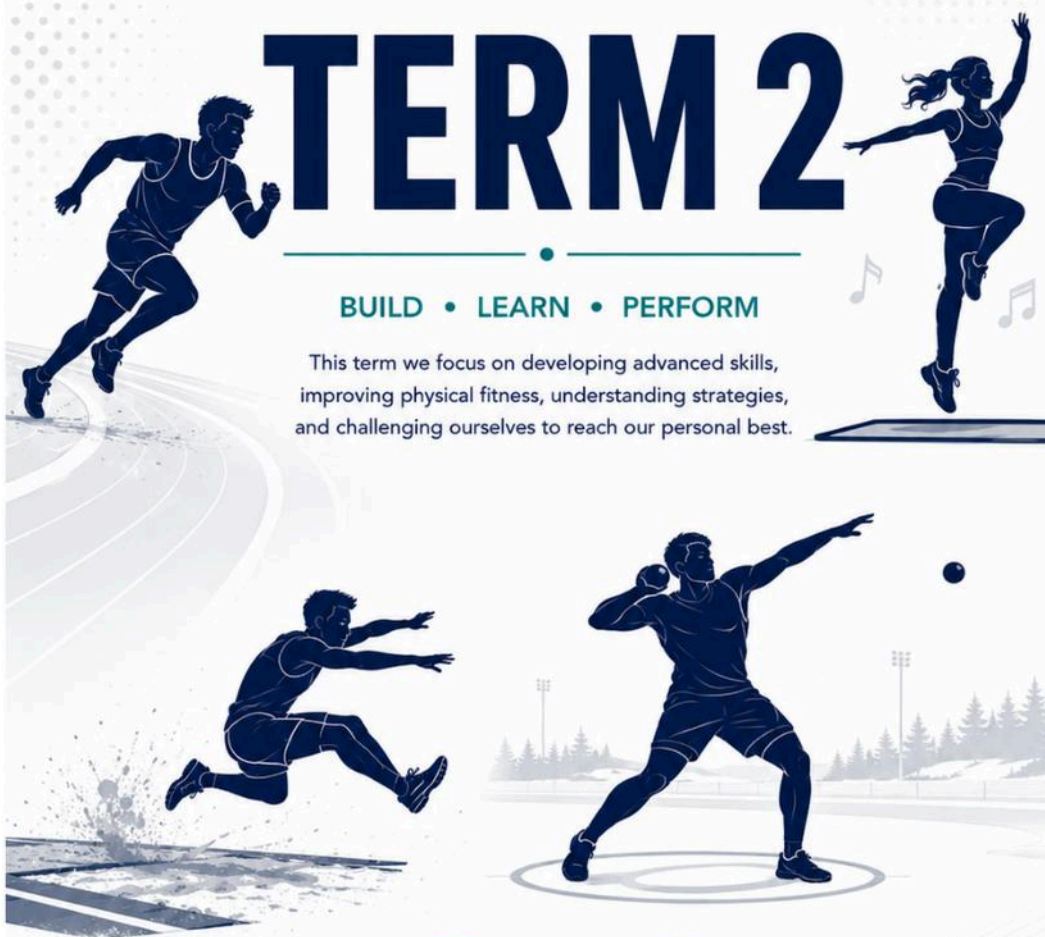

"Great distance runners stay patient, trust their training, and adapt to every challenge the course presents. Run smart, stay focused, and finish stronger than you started."

TERM 2

BUILD • LEARN • PERFORM

This term we focus on developing advanced skills, improving physical fitness, understanding strategies, and challenging ourselves to reach our personal best.

ATHLETICS

AEROBICS

Be Active • Be Respectful • Be Responsible
Be Your Best

UNIT 7

ATHLETICS

In This Unit You Will

Learning Objectives for Unit 7

By the end of this unit, you will be able to:

- ✓ Understand the rules, events, and competition formats of athletics.
 - ✓ Identify track and field layouts, equipment, safety procedures, and event regulations.
 - ✓ Perform advanced techniques in sprinting, jumping, and throwing events.
 - ✓ Apply biomechanical principles to improve performance.
 - ✓ Demonstrate effective pacing, power generation, coordination, and event-specific strategies.
 - ✓ Participate confidently and safely in athletic competitions.
 - ✓ Evaluate your own performance and identify strategies for continual improvement.
-

Main Idea

Athletics is one of the world's oldest and most diverse sports, combining running, jumping, and throwing events that challenge speed, power, coordination, endurance, and technical precision. Success depends on mastering correct movement mechanics, applying efficient techniques, and continually striving to improve personal performance.

Throughout this unit, you will progressively develop advanced technical skills through structured training sessions, event-specific drills, competitive activities, and performance analysis while improving confidence, fitness, and resilience.

What You Will Achieve by the End of This Unit

Understand Athletics

- Explain the rules and objectives of track and field events.
 - Identify equipment, facilities, and competition regulations.
 - Demonstrate safe participation during training and competition.
-

Develop Technical Skills

- Execute efficient sprint starts and acceleration.
 - Perform long jump and high jump techniques.
 - Apply correct shot put, javelin, and discus techniques.
 - Improve movement efficiency and coordination.
-

Apply Tactical Knowledge

- Manage pacing and race execution.
 - Select effective approaches for jumping events.
 - Apply correct techniques to maximise throwing performance.
 - Analyse and improve personal performance.
-

Improve Physical Fitness

Develop:

- Speed
- Strength
- Explosive Power
- Flexibility
- Coordination

- Balance
- Agility
- Muscular Endurance

Demonstrate Positive Sporting Values

Learn to:

- Show discipline during training.
 - Demonstrate perseverance.
 - Respect competitors and officials.
 - Display resilience under pressure.
 - Reflect on performance and set future goals.
-

Unit Topics

Section	Topic
7.1	Introduction / Rules
7.2	Warm-Ups
7.3	Running / Sprint
7.4	Jump into Sand Box
7.5	Jumping Bars
7.6	Throwing Metal Ball (Shot Put)
7.7	Throwing the Dart (Javelin)
7.8	Disc Throw
7.9	Cool-Down & Reflection
7.10	Individual Assessment

Coach's Tip

Mr Filipe Baptista

"Great athletes focus on perfect technique before chasing results. Every sprint, jump, and throw is an opportunity to improve your efficiency, confidence, and personal best."

UNIT 6

AEROBICS

In This Unit You Will

Learning Objectives for Unit 6

By the end of this unit, you will be able to:

- ✓ Understand the history, purpose, rules, and competition format of aerobics.
 - ✓ Identify safe movement principles, musical timing, and performance requirements.
 - ✓ Perform advanced aerobic movements with correct technique, rhythm, and coordination.
 - ✓ Develop strength, flexibility, balance, and muscular endurance through structured routines.
 - ✓ Create and perform individual and group aerobic sequences.
 - ✓ Demonstrate confidence, creativity, teamwork, and performance quality.
 - ✓ Evaluate your own performance and identify areas for continuous improvement.
-

Main Idea

Aerobics is a dynamic fitness activity that combines movement, rhythm, coordination, strength, flexibility, and endurance into energetic routines performed to music. Successful performances require precise timing, body control, creativity, teamwork, and confidence.

Throughout this unit, you will progressively develop technical movement skills, physical fitness, choreography, and performance quality through structured practice, routine building, and group performances.

What You Will Achieve by the End of This Unit

Understand Aerobics

- Explain the history and purpose of aerobics.
 - Understand competition formats and safety principles.
 - Demonstrate correct movement quality and musical timing.
-

Develop Technical Skills

- Perform fundamental aerobic movements.
 - Execute strength and balance elements.
 - Improve flexibility.
 - Combine movements into continuous routines.
-

Apply Performance Knowledge

- Synchronise movements with music.
 - Perform confidently as part of a group.
 - Demonstrate creativity and expression.
 - Evaluate and improve performance quality.
-

Improve Physical Fitness

Develop:

- Cardiovascular Endurance
- Strength
- Flexibility
- Coordination
- Balance

- Agility
 - Muscular Endurance
 - Rhythm
-

Demonstrate Positive Sporting Values

Learn to:

- Communicate effectively.
 - Support teammates.
 - Demonstrate confidence.
 - Show commitment and discipline.
 - Respect others and perform with enthusiasm.
-

Unit Topics

Section	Topic
6.1	Introduction / Rules

6.4	Strength Elements
6.5	Flexibility
6.6	Routine Building
6.7	Performance
6.8	Cool-Down & Reflection
6.9	Individual Assessment

Coach's Tip

Mr Claudio Pardal

"Strong aerobic performances combine precision, energy, and confidence. Focus on technique, stay in time with the music, and perform every movement with purpose and commitment."

PrimeBooks Year 10 • Physical Education • Unit 6 – Aerobics

TERM 3

BUILD • LEARN • PERFORM

This term we focus on developing advanced skills, improving physical fitness, understanding strategies, and working together to achieve our personal best.

KORFBALL

AMERICAN FOOTBALL

Be Active • Be Respectful • Be Responsible
Be Your Best

UNIT 13

KORFBALL

In This Unit You Will

Learning Objectives for Unit 13

By the end of this unit, you will be able to:

- ✓ Understand the history, development, rules, and mixed-gender principles of korfball.
 - ✓ Identify court layout, player positions, zones, equipment, and official regulations.
 - ✓ Perform advanced passing, shooting, rebounding, movement, and defensive techniques.
 - ✓ Apply attacking and defensive team strategies during match play.
 - ✓ Demonstrate communication, leadership, teamwork, and respect for teammates and opponents.
 - ✓ Participate confidently and safely in modified and competitive korfball matches.
 - ✓ Evaluate your own performance and identify areas for continuous improvement.
-

Main Idea

Korfball is a fast-paced mixed-gender team sport that develops communication, teamwork, movement, tactical awareness, and decision-making. Players work together to create scoring opportunities through accurate passing, intelligent movement, effective shooting, and organised defending.

Throughout this unit, you will progressively develop technical skills through structured drills, tactical activities, small-sided games, and competitive matches while improving fitness, coordination, confidence, leadership, and sportsmanship.

What You Will Achieve by the End of This Unit

Understand the Game

- Explain the history and development of korfball.
 - Identify court markings, player roles, equipment, and game rules.
 - Demonstrate an understanding of fair play and mixed-gender participation.
-

Develop Technical Skills

- Pass accurately using different techniques.
 - Create space through effective movement.
 - Perform set shots, running shots, and penalty shots.
 - Defend effectively and secure rebounds.
-

Apply Tactical Knowledge

- Apply attacking rotations.
 - Organise defensive positioning.
 - Communicate effectively with teammates.
 - Make informed decisions during match play.
 - Work confidently as part of a team.
-

Improve Physical Fitness

Throughout this unit you will develop:

- Agility

- Coordination
- Speed
- Balance
- Reaction Time
- Cardiovascular Endurance
- Muscular Endurance

Demonstrate Positive Sporting Values

You will learn to:

- Respect teammates, opponents, officials, and equipment.
- Communicate positively throughout games.
- Show leadership and responsibility.
- Demonstrate teamwork and fair play.
- Reflect on your performance and strive for continuous improvement.

Unit Topics

Section	Topic
13.1	Introduction / Rules
13.2	Warm-Ups
13.3	Passing & Movement
13.4	Shooting
13.5	Defending & Rebounding
13.6	Team Strategies
13.7	Game Scenarios
13.8	Cool-Down & Reflection
13.9	Collective Assessment

Coach's Tip

Mr Filipe Baptista

"Successful korfball teams rely on movement, communication, and trust. Keep moving to create space, support your teammates, and make every pass with purpose and confidence."

PrimeBooks Year 10 • Physical Education • Unit 13 – Korfball

UNIT 14

AMERICAN FOOTBALL

In This Unit You Will

Learning Objectives for Unit 14

By the end of this unit, you will be able to:

- ✓ Understand the history, rules, scoring system, and non-contact adaptations of American football.
 - ✓ Identify field layout, player positions, equipment, and game regulations.
 - ✓ Perform advanced throwing, catching, running, attacking, and defensive techniques.
 - ✓ Apply offensive and defensive strategies during game situations.
 - ✓ Demonstrate leadership, teamwork, communication, and sportsmanship.
 - ✓ Participate confidently and safely in modified American football games.
 - ✓ Evaluate your own performance and identify areas for continuous improvement.
-

Main Idea

American football is a dynamic invasion sport that develops tactical awareness, communication, teamwork, speed, coordination, and decision-making. Players must work together to move the ball strategically while executing offensive plays and organised defensive systems.

Throughout this unit, you will progressively develop technical skills through passing drills, movement activities, tactical play, small-sided games, and competitive match situations while improving confidence, leadership, fitness, and teamwork.

What You Will Achieve by the End of This Unit

Understand the Game

- Explain the history and development of American football.
 - Identify field markings, player positions, equipment, and scoring methods.
 - Demonstrate an understanding of the rules and fair play principles.
-

Develop Technical Skills

- Throw short and long passes accurately.
 - Catch the ball confidently in different situations.
 - Carry the ball safely while running.
 - Apply attacking and defensive techniques.
-

Apply Tactical Knowledge

- Execute offensive passing plays.
 - Apply defensive positioning.
 - Communicate effectively with teammates.
 - Make tactical decisions during game situations.
 - Work confidently within offensive and defensive units.
-

Improve Physical Fitness

Throughout this unit you will develop:

- Speed

- Agility
 - Strength
 - Coordination
 - Power
 - Reaction Time
 - Cardiovascular Endurance
-

Demonstrate Positive Sporting Values

You will learn to:

- Respect teammates, opponents, officials, and equipment.
 - Communicate positively during games.
 - Demonstrate leadership and responsibility.
 - Show teamwork and discipline.
 - Reflect on your performance and continually improve.
-

14.8	Cool-Down & Reflection
14.9	Collective Assessment

 **Coach's Tip**

Mr Claudio Pardal

"Winning teams communicate clearly, execute every play with purpose, and trust each other in every phase of the game. Stay focused, support your teammates, and make smart decisions under pressure."

PrimeBooks Year 10 • Physical Education • Unit 14 – American Football

Physical Education & Gym

Year 10 · English Support
Ages about 14 to 15

About the Book

Welcome to PrimeBooks Gym Year 10. This Physical Education student manual helps students refine performance, fitness, teamwork and confidence while building the English they need in Gym and PE lessons.

Students work through Futsal, Cross Country, Athletics, Aerobics, Korfball and American Football. Each unit develops rules, technique, tactics and fair play, with accessible English for instructions, sports vocabulary, safety language and reflection.

Designed for Year 10 learners in English-medium and international-school settings, this book supports PE teaching and English support / EAL colleagues who want clear language alongside real sport practice.

INSIDE THIS BOOK
