Year 1

Cambridge Early Years

Student Manual

Welcome · Bem-vindos

This book is for children who do not speak Portuguese yet — or who know only a few words.

Unlike traditional books, we do **not** start with grammar. Children first learn to:

- hear Portuguese · ouvir
- recognise sounds · reconhecer sons
- speak with confidence · falar
- understand classroom Portuguese · compreender a sala
- enjoy communicating · gostar de comunicar

Only afterwards do they read and write more. Language comes through **stories, games, movement, songs and real life.**
